1967-2018 CAMARO PARTS
& ACCESSORIES CATALOG

30
YEARS

SS396.COM | 866-358-2277 | 91 GREAT HILL RD NAUGATUCK, CT 06770

Dear valued muscle car enthusiast,

When we started Ground Up Restoration 30 years ago, we had one thing in mind: to bring the best quality restoration parts to everyone, from the weekend driver to the 1000 point restoration. As the years progressed, Ground Up grew from a one-person company to the 40,000 square foot facility that we now operate out of Naugatuck, Connecticut. Though we have grown, we are still no different from you. We have maintained the same belief that our customers deserve not only the best parts but also the best customer service available.

With over 30 completed muscle car restorations under our belt, including our original 1968 Chevelle SS396 owned since 1980 (as seen below), to our insane pro-touring 1978 Z/28 LSX Camaro, there's nothing we have not seen or done!

Your restoration is important to us. Whether you need parts, advice, or tech help, Ground Up is here for you! We have some of the best and most knowledgeable customer service and tech reps in the business, waiting to take your call.

Ground Up understands that your restoration is a major part of your life. We are grateful to have the opportunity to be a part of this process for the past 30 years and look forward to 30 more years of continued service.

Thank you for your business, and for being a part of the Ground Up family.

Sincerely,
Team Ground Up

Ground Up Customer Scott's 1967 Camaro Pace Car

Scott has owned his 1967 Camaro Pace Car for over 15 years and completed the entire restoration himself using many parts from Ground Up.

Ground Up Customer Joseph's 1973 Camaro Z/28

Joseph used Ground Up for his parts including everything from his sub frame connectors to new finned aluminum valve covers.

Ground Up Customer Sal's 1967 Camaro Z/28

The car only had about 42,000 miles on it, but Sal didn't think it looked good enough so he restored with all new parts from Ground Up.

Ground Up Customer Paul's 1967 Camaro

This 1967 Camaro 88-350 was actually Paul's wife car during high school that was revived using parts from Ground Up.

Ground Up Customer Scott's 1969 Camaro Pace Car

Ground Up Junior Interior Kits

These interior kits are a great way to freshen up your ride! Ground Up junior kits include all of the basic items needed to spruce up your interior. These kits feature "out of the box" pre-assembled door panels from PUI. This means that they are ready to install with moldings and window felts where applicable. Our seat covers are also crafted by PUI and feature all of the correct grains, materials and colors as original. We finish off these kits with complete PUI headliner and side sail kits which feature OEM grains and colors and a brand new ACC carpet which duplicates OEM style carpets. You will not find a higher quality interior kit on the market!

1967-69 Junior Interior Kit for Standard Coupe

Contains the following items:

- Front Seat Cover Set
- Rear Seat Cover Set
- Front "Out of the Box" Door Panel Set
- Rear "Out of the Box" Door Panel Set

1967-1969 TMI Sport Seat Upholstery

TMI Sport Seats are the best way to upgrade your stock seats without having to sacrifice your original interiors style and appearance. TMI

Sports Seats attach directly to your existing stock frames, utilizing the factory attachment methods. The result is a heavily bolstered seat that is stock in appearance but much more supportive and comfortable than the original. *Note: Sport Seat Upholstery must be purchased in conjunction with Sport Seat Foam. Sport Seat Upholstery will NOT fit over your stock foams. Rear Upholstery is stock and will fit over your stock foams.*

1967-1969 TMI Sport R Seat Upholstery

TMI's new Sport R Seats for the Camaro hold on to the iconic styling cues that make a Camaro interior so easily recognizable. However, these new

Sport R Series seats do a great job of modernizing the originals by adding a french seam stitched in a contrasting thread color around the perimeter of the seats and by accenting the insert sections of the seats with a matching black unisuede. *Note: Sport R Seat Upholstery must be purchased in conjunction with bucket seat Sport Seat Foam - front bucket Sport Seat Upholstery will NOT fit over your stock bucket foams. You can use your stock foam for the rear covers.*

SBL-6769SH1000	1967-69 Front Shoulder Harnesses	155.99 set

Shown with GM logo buckles.

1967-73 3 Point Front Seat Belts

Add comfort and safety to your muscle car while still keeping a stock look with Ground Up's 3 point retractable seat belts! These three point belts feature a vintage style lap belt and chest belt so you can have new car safety with old car looks. Each kit includes two seat belts, grade 8 mounting hardware and powdercoated mounting brackets all assembled and ready to bolt in to your Camaro. Instructions are also included. These seat belts mount in the factory locations, meaning there is no drilling required. Seat belts meet FMVSS standards. Fill blank with your color choice.*

OER Interior Paint

OER's revolutionary formula provides 40% more coverage than standard dyes and lacquers and actually penetrates and molecularly bonds to the surface to permanently seal in the color. Dries to the touch in 45 seconds, forms a complete bond in just 10 minutes. UV stable and color fast, it will not crack, flake or peel. For use on vinyl, leather, ABS plastic, polycarbonate, polypropylene, polyurethane, acrylic, lexan, fiberglass and recycled plastics. These paints are designed to match our colored PUI interior products. 12oz aerosol can.

Sport R Door Panels

TMI's new Sport R Door Panels for the Camaro hold on to the iconic styling cues that make a Camaro interior so easily recognizable. However, these new Sport R Door Panels do a great job of modernizing the originals by adding a french seam stitched in a contrasting thread color and by accenting the insert sections of the door panels with a matching black unisuede. This result is a very modern looking door panel that takes hints from the classic Camaro style - and fits right in place of the original panels!

- Suede inserts • Choice of colored stitching
- Masonite MDF back board • Metal top plates (1968-69)
- Window Felts (1968-69) • Pre-cut holes in board for door handles and cranks • Includes lock grommet and chrome strip (1968-69) • Offers a modern look for your classic

Sport 2 Door Panels

TMI's Sport 2 Molded Door Panels for the Camaro hold on to the iconic styling cues that make a Camaro interior so easily recognizable. However, these Sport 2 Door Panels do a great job of modernizing the originals in a contrasting thread color and by accenting the insert sections of the door panels with a matching black unisuede. They also incorporate a molded in arm rest similar to the factory deluxe door panels. This result is a very modern looking door panel that takes hints from the classic Camaro style - and fits right in place of the original panels!

This item ships oversize.

Sport R Molded Door Panels

TMI's new Sport R molded Door Panels for the Camaro hold on to the iconic styling cues that make a Camaro interior so easily recognizable. However, these new Sport R Door Panels do a great job of modernizing the originals by adding a French seam stitched in a contrasting thread color and by accenting the insert sections of the door panels with a matching black unisuede. They also incorporate a molded-in arm rest similar to the factory deluxe door panels. This result is a very modern looking door panel that takes hints from the classic Camaro style - and fits right in place of the original panels!

DASH PADS

ICI-690E

1969 OEM Style Dash Pad

This is an original equipment quality reproduction padded dash featuring the original correct grain. Constructed of urethane, with a foam over a plastic spine and features a one piece steel reinforcement for a long lasting appearance and quality fit. This dash will fit and function better than any other replacement dash on the market.

ICI-690E 1969 w/o Air Conditioning Black 399.99 ea.

Dash Pads

1967-69 dashes feature solid fiberglass cores surrounded by vinyl wrapped foam to assure you the best look and fit on the market! All of the factory colors are available and will match your new PUI colored interior exactly.

1970-81 dashes are crafted from urethane materials for an original appearance and fit. You will get the same quality look and feel of an original dash pad without the headaches of sun damage.

RTX-69C-CAM-X

RTX-67C-CAM-X

Dakota Digital RTX Gauge Kits

Designed after stock Camaro clusters, these all-new packages look like a simple speed/tach combo until you turn the key, then four auxiliary readings appear! Oil pressure, coolant temperature, fuel and volts are comprised of LED bars; invisible to the average observer but front and center for the driver. Each pod has a TFT message center for additional information at your finger tips. Although the graphic styles vary between 1967 and 1968, the systems will interchange between the years, so choose your preferred or period-correct version! Will fit directly into stock or reproduction gauge bezels, sold separately. The RTX series is the latest from Dakota Digital, focusing on retaining that stock look without sacrificing the late-model features you love. Every effort has been put forth to incorporate OEM design elements regarding the layout, face styling and indicators. A casual glance may dismiss these as original equipment, but once you hit the switch and the LED backlighting comes on in your favorite color scheme, all doubts will be removed. Starting from scratch, CNC machined housings are filled with electronics designed and built in-house, helping Dakota Digital once again raise the bar for aftermarket instrumentation. The high-definition TFT message centers can be fully configured to display just about any piece of information needed or just leave the vintage-looking tumbler odometer on the screen for a totally stock appearance. As you've come to expect from Dakota Digital, the RTX series utilizes a central control box to make installation and setup as easy as possible. Bezel not included, shown for visual/presentation purposes. The RTX system uses an OEM or reproduction style bezel.

HDX-67C-CAM-S

HDX-70C-CAM-S

HDX-69C-CAM-K

Dakota Digital HDX Gauge Kits

Ushering in a new era of muscle machines, Camaros have long been turned into hot rods. Keep the tradition alive and bring yours up to spec with this direct-fit instrument system! It attaches directly to a stock or reproduction bezel (available separately) and supplies you with six analog gauge sweeps and a pair of high visibility TFT message centers. Available with your choice of black or silver alloy gauge-face styling, each HDX system allows the user to select independent illumination colors for the gauge readings and needles, as well as the message centers. Calibration and personal settings are manipulated with the built-in, capacitive-touch buttons or the available Bluetooth App. for Apple and Android devices. Each needle hub is black nickel plated spun-aluminum to match the buttons. All HDX instrument systems feature dead-faced indicators (turn signals, high beam, check engine, cruise control, parking brake, plus two user-definable) and a red, settable warning light for each gauge. With our central control box, installation is greatly simplified with vehicle-harness sourced signals and supplied, solid state sending units connecting cleanly to their respective terminals.

BIM-01-2

SEN-04-5

SEN-20-3

BIM-03-1

BIM Expansion Modules

These BIM modules work with any VFD3 or VHX system to expand features.

OBDDII Interface

Allows you to plug directly into the engine diagnostic port, extracting engine data from the OBDDII computer (ECU). Outputs speed, tachometer, engine temp, intake air temp*, trans temp*, ambient air temp* and gear position*.

- BIM-01-2 OBDDII Interface 94.99 ea.

*If data is available from ECM.

Pressure Module

Allows you to add up to 3 additional pressure readings to your VFD3 or VHX system*.

Utilizes solid state pressure senders for phenomenal accuracy.

- BIM-03-1 Pressure Module..... 69.99 ea.
- SEN-03-9 0-300 PSI Pressure Sender 42.99 ea.
- SEN-03-8 0-100 PSI Fuel Pressure Sender..... 75.99 ea.
- SEN-03-9 0-300 PSI Air Pressure Sender 42.99 ea.
- SEN-09-6 30Hg / 80 PSI Vacuum / Boost Sender . 118.99 ea.
- SEN-23-2 0-2000 PSI NOS Pressure Sender 118.99 ea.

*Senders are not included.

Temperature Module

Allows you to add up to 3 additional temperature readings to your VFD3 or VHX system (generic temp, water temp, oil temp, trans temp, differential temp)*.

- BIM-04-1 Temperature Module..... 66.99 ea.
- SEN-04-5 Temperature Sender, 1/8" NPT 0-320F 18.99 ea.
- 140023 NPT Bushing Kit, 1/8" to 1/4", 3/8", 1/2" 9.95 ea.

*Senders are not included. Order one sender per reading.

Voltage / Current Module

Allows you to display up to 2 additional volt readings* or a combination of 1 volt and 1 current reading*.

- BIM-05-1 Voltage/Current Module 85.99 ea.
- SEN-20-3 Amp Current Sender..... 90.99 ea.

*Voltage reading is included in module. Current reading requires sender.

Dakota Digital Instrument systems are normally shipped from the factory with "0" miles on the odometer. If you would like mileage added to the odometer, this can be done at the factory for a charge of \$20. Please contact Ground Up to arrange this service.

SN81

SkyDrive GPS Speedometer Sensor

Calibrate your speedometer in less than a minute and you don't even have to leave your driveway! SkyDrive is the worlds most accurate electronic speedometer sending unit. No need for ECU converters or pulse signal generators screwed into your transmission. The new SkyDrive uses GPS satellite signals to operate your electronic speedometer. It updates 10 times per second and with one push of a button it's ready to go!

SN81 SkyDrive259.99 ea.
Note: Works with all Classic Instruments kits as well as any other manufacturer's electronic speedometer.

FSU-1000

Electronic Speedometer Sender

This speedometer sending unit is required for correct operation of your electronic speedometer.

FSU1000 1967-8189.95 ea.
No Volume Discount.
Mechanical gauges do not require this sender.

LS Motor Installation Kit

This kit includes the required sensor adapters for the oil pressure gauge and water temperature gauges. As well as a 10K resistor for the tachometer. The specialized instruction manual, fittings, sensor and electrical component packaged in this kit make the instrument installation on your GM LS based engine simple and straight forward.

Flaming River Tilt Steering Columns & Kits

Flaming River offers replacement tilt steering columns for your ride. They require no welded on attachments or extra relays. Modeled after the popular muscle car Tilt Key Columns, but still attractive enough to put in your street rod. Flaming River manufactures the column complete with a GM coded key assembly, wiring and ignition switch made from state-of-the-art, all new components. Made in the USA.

Looking to replace your Camaro carpet with something that meets your quality and originality standards? Look no further than our ACC brand OEM carpet sets. We are proud to offer these carpets in several styles, from factory original 80/20 rayon and nylon looped blend (cut pile for 1974-77 models) to our new ESSEX Style for those who are looking for a "modern" auto style carpet seen in high end Mercedes or Porsche cars, to our "Mass Backing" carpet sets which offer factory installed sound deadening material built in for an overall quieter, cooler and more comfortable interior.

ICC-679

ALL of our ACC brand carpets are factory molded with correct heel pad & dimmer switch grommet for a model specific fit.

QuietRide AcoustiShield

The QuietRide AcoustiShield kit is a multi-stage automotive and sound dampening system to give your muscle car the quiet riding comfort found in today's new cars. AcoustiShield kits are designed on current state of the art auto acoustic technology to insulate and control the noise, vibration and heat in the passenger cabin. Kits are pre-cut and come with easy to follow installation instructions: Everything you need to do the job right!

The first stage consists of pre-trimmed, self-adhesive sound damper pads which are bonded to strategically located trouble spots to control body panel vibration and noise. These spots are mapped and labeled in the detailed instructions.

Complete Kits include Body, Cowl, Floor, Roof (except convertible) and Trunk Floor Kits.

Flatline Barriers

Flatline Barriers is the new leader in automotive thermal acoustic insulation products. Utilizing cutting edge technology and materials, Flatline is able to offer a solution that significantly reduces unwanted sound and heat. Extremely lighter than other insulation products, packing the same punch in sound and heat control properties. The material is offered in pre-cut kits and universal options. Our designs were created by in house automotive enthusiasts and DIYers. Making our kits easy to install, logical in layout and highly effective. Provided to you at an extreme value.

USA-74CAM69

USA-74CAM67

USA 740AM/FM 300 Watt

The USA-740 offers the same classic look that Custom AutoSound has always been known for with today's latest features. Now, with built-in Bluetooth (microphone included), answer calls and get Bluetooth streaming music from your Bluetooth capable phone or Bluetooth compatible device. A solid 300-watt peak power should be all the juice you need, yet the USA-740 has Hi 4 volt, 4 channel RCA pre-outs and a subwoofer RCA pre-out for additional amplifiers. The USB input allows you to plug in a USB flash drive for playback of MP3/WMA/FLAC/WAV song files. A front 3.5mm mini jack auxiliary audio input and a rear RCA auxiliary audio input provide versatility for options like satellite radio, iPod or any portable player you wish to use. Match the dominant color of your instrument cluster with user selectable multiple LCD color choices with LCD dimmer control. The AM/FM RDS tuner shows station, song and artist on the LCD display. For those of us committed to music collections on compact disc, the USA-740 fully controls the optional Custom AutoSound CD-1 CD player. Classic style with today's sound and performance taking every road and curve with you in your Chevrolet.

Custom Autosound USA-630 AM/FM 240 Watts

The USA-630 is the pinnacle of 30 years of evolution in Custom Autosound's quest for the perfect classic car radio. This radio has large OEM style push-buttons that give a perfect look in a classic dash. Although it looks classic it has the latest modern features. USB input on the back of the radio. This jack is on an 18" extension which allows you to place it in the glove box or ash tray for easy access (no unsightly wires or plugs hanging out of the front of the radio). The new alpha numeric display (30% larger than previous models) shows the song/artist/album (id3) titles during playback of MP3/WMA files. With the built in CD controller you have complete control (no FM modulation) of CAS's 10 disc CD changer.

With 240 watts the radio should have all the power you may need, if you want more there are four pre-outs jacks on the back of the radio for optional amplifiers. The back of the radio also has auxiliary audio input for satellite radio or any portable player you may wish to use.

- AM-FM Stereo • USA/Euro Tuner • Power Antenna Lead • Alpha Numeric id3 Display for MP3/WMA files • Electronic Tuning and Volume Control • 4 Way Fader • Left Right Balance • Digital Clock • 16 Pre-sets (12FM-4AM) • 4 Channel RCA Pre-outs • Separate Bass and Treble • 2 Channel RCA Auxiliary Input for Satellite / iPod etc.

SECRET-SST

BLUKIT

Secret Audio SST

Secretaudio SST is a hidden audio system that offers great flexibility for mounting in any type of vehicle. The main receiver/amplifier unit is usually hidden under the seat or behind the dash. A 10ft cord from the Tuner/Amp plugs into an LCD display. The system can be operated from up to 40 feet away with the included RF (radio frequency remote.)

Included with the system is a flush mount bezel for console or dash mounting. The small dimensions of the flush mount system allow you to install the LCD display almost anywhere. The LCD also comes with a bracket mount for easy installation in the glove box, under the dash, in the ashtray, sun visor, console or wherever you choose. Since its only 1" deep, it's especially handy for custom or streetrod applications where there may be wiring or ducting routed behind the panels you wish to utilize for mounting. When your installation is finished you'll be rewarded with a quality professionally installed look.

Features:

- AM/FM Stereo 200 watts 4x50 • Auxiliary Audio Input • USB MP3/WMA Flash Drive Player • iPod® Direct Control Interface (built into tuner/amp unit) iPod Docking Cable Included • Alpha Numeric LCD Display Shows Artist / Song Titles for USB, iPod® and Satellite Radio • Satellite Radio Input (for optional Sirius® satellite radio tuner) • Direct CD Changer Control (CD changer optional)
- 4 Channel 3 Volt RCA Pre-Outs (for optional Amplifiers) • Subwoofer Pre-Out (for optional Subwoofer Amplifier)
- Electronic Volume, Bass, Treble, Balance, Fader • 5 Selectable iEQ Curves – pop/jazz/classic/beat/rock
- Zero Memory Current Draw (will not drain car battery when unit not in use) • 24 Station pre-sets (18FM / 6AM) • Power Antenna 12V Trigger Lead

SECRET-SST 1964-72329.99 ea.

Bluetooth Interface for USA-630, Secretaudio

This adapter plugs into the CD changer port of your radio and gives you the ability to do hands free calling from your Bluetooth capable phone. You can listen to music stored on your A2DP enabled Bluetooth device. You can still use your CD changer with the adapter plugged in.

BLUKIT Bluetooth Interface 99.99 ea.

Note: Works with Custom Autosound USA-630 and Secretaudio systems.

ER-7014RL ER-7014RW

Factory Style Radial Tires

If you're going for an authentic Camaro restoration, be sure that you don't overlook the tires! Previously, this meant sacrificing modern ride quality and handling characteristics for an authentic appearance, but now you can have the best of both worlds with these modern radial tires that have a period correct appearance. This factory style Firestone Wide Oval tire is an almost exact replica of the original, engineered from the ground up to provide excellent ride quality, tread life and safety, while retaining the correct tread pattern and raised white lettering.

FPB-9002

9" Single Slimline Booster

Nice clean looks and performance that won't disappoint. A good choice if you're undecided on which booster to get.

FPB-9102 1967-69 Gold.....115.99 ea.

EVPO1

Electric Vacuum Kit

If you have a big cam and low vacuum is making it tough for your power disc brakes to work properly, then this electric vacuum pump kit will solve your problems! A minimum of 16 inches of vacuum is critical to ensure that your power disc brakes are functioning and this kit ensures that your vacuum stays above that level so you will never have to worry about losing your brakes when you need them the most. The system automatically activates when the vacuum falls below that critical level and turns off when the engine is producing enough vacuum. This kit includes an efficient electric pump, relay switch, distributor with vacuum switch, wiring, hoses and brackets. This system requires a 12V negative ground system for operation.

EVPO1 Vacuum Pump Kit267.99 kit

FBC-799

Clutch Pedal Booster Rod Clip

Correct clutch pedal rod clip for power disc brake cars.

FBC-799 1967-816.99 ea.

DSE032001

DSE Hydroformed Subframe

DSE's all new front subframe is a bolt-in replacement for the original stock subframe. It improves the handling and ride quality by utilizing DSE's unique suspension geometry. It is the ONLY subframe in the aftermarket industry with hydroformed frame rails. The hydroformed frame rails feature strength and stiffness, precise quality and repeatability.

This subframe comes complete with: • C6 Corvette upright • Tubular upper and lower control arms • Splined sway bar • Coilover shocks and springs • Power Rack & Pinion Steering
Up to a 10" wide wheel can be packaged without modification to the inner wheel wells.
SB, BB, LS1, LS2 and LS7 engines can be directly bolted in.

Subframe in Bare Metal, Unassembled

No volume discount.

DSE010101

DSE Subframe Connectors

These uniquely designed DSE weld in subframe connectors increase your car's stiffness by connecting the front subframe to the rear frame rails. Unlike others, the DSE subframe connectors are barely visible from underneath the car. DSE subframe connectors do not interfere with seat attachment hardware or the installation and removal of the rear leaf spring pocket.

DSE010101	1967-69 All	214.99 pr.

Installation should be followed by a professional alignment.
Ships Oversized. No volume discount.

Delrin Lower Bushings

These Delrin bushings eliminate deflection and greatly improve response. The steel outer housings can be welded to the control arm.

DSE030201	1967-69 All	155.99 kit
-----------	-------------------	------------

Works great for street cars as well as race cars.

Urethane Upper Bushings

These urethane bushings are designed as an upgrade over stock for improved handling.

DSE030401	1967-69 All	61.99 kit
-----------	-------------------	-----------

DSE Bounce Bumpers

These urethane bumpers can be used for bounce and rebound control for your stock control arms. The bumper dimensions are 1-9/16" tall and 1-5/8" base diameter.

DSE030501	1967-69	17.99 pr.
-----------	---------------	-----------

DSE Rear Coilover Suspension Kit

This DSE 3rd generation Camaro Coilover Conversion Kit allows the latest in coilover spring/shock technology to be bolted on, bringing your cars handling and ride into the 21st century with our Detroit Tuned valving. The standard coilover package offers extensive ride height adjustability and is optimized around a 2 in. drop from stock height. Installation requires only minor drilling on the existing axle bracket. Standard shocks have no rebound or compression valving adjustment, single adjustable means you can adjust the rebound dampening, double adjustable means you can adjust both compression and rebound dampening.

DSE042440	1982-92 Standard.....	1254.99 kit

DSE060414	1970-81 LS.....	374.99 kit
DSE060435	1982-92 LS*.....	324.99 kit

* Moves engine 3/8 inch back from stock V8 engine location.

DSE090101B

DSE Tubular Adjustment Sleeves

Tubular tie rod adjusters improve the strength and integrity of your steering system over stock. The tubular design is stiffer than the OEM split clamp adjuster and weighs less.

- DSE090101B 1967-69 Black.....72.99 kit
 - DSE090102B 1970-81 Black.....72.99 kit
- No Volume Discount

DSE040110

Heavy Duty Leaf Spring Pocket Kit

The Detroit Speed Heavy Duty Leaf Spring Pocket Kit was engineered to work with stock leaf spring cars as well as cars with the Detroit Speed QUADRALink installed. The kit is significantly stronger than the stock pocket, connects into the doubler plate on the top side floor plan and offers an additional link mounting location that is lower than the stock location. The assembly is bolt-on for easier installation and may be removed after painting. The lower link pocket comes powdercoated and the kit comes with all hardware for installation.

- DSE040110 1967-69 All 424.99 kit
- No Volume Discount.

DSE031101

DSE031115

DSE Coilover Springs

These springs provide an excellent balance of handling, performance and ride quality. They are designed to work with our DSE front coilover conversion bracketry kit.

- DSE031101 1967-69 SB/LSX..... 249.99 pr.
- DSE031102 1967-69 BB..... 148.99 pr.

DSE 2" Dropped Front Coil Springs

These DSE 2" drop coil springs will lower the front of your Camaro easily to give it a pro-touring stance. These springs will also provide great ride and handling.

- DSE031115 1967-69 SB, LSX..... 212.99 pr.
- DSE031118 1967-69 BB..... 258.99 pr.
- DSE031107 1970-81 SB, LSX..... 258.99 pr.
- DSE031108 1970-81 BB..... 258.99 pr.

Ride height may vary depending on weight differences of cars.

DSE010801

DSE010201

DSE Solid Body Mounts

DSE solid body mounts provide a simple approach to eliminating the flex that occurs between the body and sub frame connection. CNC machined from billet aluminum and then hard coated. Stainless bolts sold separately.

- DSE010201 1967-81 1/2 Height..... 156.99 kit
- DSE010301 1967-81 Stock Height..... 168.99 kit
- DSE010801 Stainless Bolts 114.99 kit

No Volume Discount

DSE031401

Detroit Speed Front Sway Bar Kit

Improve cornering and reduce body roll with this larger diameter hollow sway bar. This larger than stock bar is powdercoated black and comes with everything you need to bolt it on, including greasable polyurethane bushings and end links.

- DSE031401 1967-69 All 1-1/8" Hollow.....259.99 kit
 - DSE031402 1970-81 All 1-3/8" Hollow.....274.99 kit
- No Volume Discount. Ships Oversize 2.

DSE041601

DSE Rear Speed Kit 1

This DSE rear leaf spring suspension kit works great with any DSE front suspension kit. These leaf springs improve handling due to the increased spring rate and are available in either a 2" or 3" dropped ride height. Includes DSE rear leaf springs, heavy duty shackles kit and Koni classic rear shocks.

DSE041703

DSE Quadralink Kit

A great way to upgrade from your original leaf spring rear suspension. Unlike other kits on the market, DSE's exclusive new 4-link geometry design is uncompromised to achieve the best possible handling. The DSE Swivel Link allows the suspension to fully articulate with smooth, solid motion and no binding. The rear upper shock crossmember strengthens the rear body and frame section. This kit also includes coilover shocks and springs.

- DSE041703 1967-69 Complete Kit 2755.99 kit
- DSE041711 1970-81 Complete Kit 2911.99 kit

Note: Axle brackets require a 3" axle tube.

Does not include rear end. Ships Oversized. No volume discount.

DSE Quadralink Rear Sway Bar Kit

A great complement to the DSE QUADRALink™! The adjustable sway bar provides an additional way to upgrade the rear suspension.

- DSE042203 1967-69347.99 kit
- Ships Oversized. No volume discount.

DSE041222

DSE Mini Tub Kit

This is a complete Detroit Speed & Engineering mini tub kit which includes all of the necessary parts for a complete project package. The original rear seat back and bottom frames must be slightly modified, but the rear seat can be used!

- DSE Deep Tubes • Rear Upper Shock Crossmember
- Front Leaf Spring Pockets (1970-81) • Upper Shock Mounts • Offset Shackles • Rear Leaf Springs • U Bolts • Mini Tub Shocks (1970-81 only) • Adjustable Leaf Spring Pads • Lower Shock Plates • Rear Leaf Delrin Bushing Kit (1970-81 only) • Steel Frameraill Fill Panels (1970-81 only)

- DSE041203 1967 w/ 2" Drop Springs..... 1799.99 kit
- DSE041204 1967 w/ 3" Drop Springs..... 1799.99 kit
- DSE041205 1968-69 w/ 2" Drop Springs 1799.99 kit

Aldan American Coil Over Kits

Aldan Road Comp kits are designed to convert your suspension to coil-overs. Aldan Phantom Series, single adjustable coil-overs deliver superior handling and ride quality for a drastic improvement over stock suspension. Aldan High tensile, high travel coil-springs provide greater consistency over stock springs. Aldan's rear bolt-on shock absorber kit includes 2 TrueLine Series shocks, 2 brackets, 2 T-Bars and hardware. Uses OEM shock mounting locations. TrueLine adjustable shock absorbers are designed to work with factory and aftermarket springs to add a more consistent, smoother ride.

DR-041

NEW PRODUCT: QA1 SUSPENSION

QA1 Upper & Lower Tubular Control Arms

QA1's Street & Race Control Arms. The street arms use a factory replacement ball joint and polyurethane pivot bushings. These work great on vehicles used primarily for cruising and long distance events. The race arms utilize a QA1 Low Friction Ball Joint and low friction, low deflection pivot bushings, providing the added performance needed for drag racing, pro-touring and hardcore street applications. Configured for QA1 Pro Coil Systems, these control arms feature powder coated tubular construction for increased strength and great looks. A bolt-in spring adapter is available separately to allow the control arms to be used with stock springs. All of the upper arms feature an offset cross shaft letting you quickly and easily adjust camber. All of these arms are designed to add 3-4 degrees of caster and 0.5 to 1 degree of negative camber when used together. Includes mounting hardware. Made in the USA

QA1-52816

QA1 Sway Bars

Give your chassis the stability it needs to keep your tires planted on the road. These sway bars are an easy bolt-on upgrade to help reduce body roll and handle corners better. For maximum strength and durability, QA1 sway bars are manufactured from either light-weight hollow-core (4130) chromoly steel or heavy duty solid-core (1045) cold formed steel. The bars are formed using precision CNC equipment for a true bolt-on installation, then gloss black powder coated for durability and corrosion resistance. Sway bars include new mounting components to replace old and worn out sway bar bushings and end links. Made in the USA.

QA1-52816	1967-69 All Front 1 1/4"	249.99 ea.

QA1-5204

QA1 Lower Rear Trailing Arms

QA1's Lower boxed trailing arms use polyurethane bushings on both ends, for a long-lasting finish, tubular and boxed trailer arms are powder coated gloss black, while the adjustable arms are zinc plated and anodized. These trailing arms have fluted, greaseable polyurethane bushings, which are superior to the stock rubber bushings. The relocation brackets lower the mounting point of the rear trailing arms. A must for lowered vehicles, they correct the trailing arm angle while raising the instant center of the vehicle, which improves forward bite and eliminates rear squat during hard acceleration. Two non-stock mounting locations are available in addition to the stock location, and they will accept QA1, OEM, or any other aftermarket lower trailing arms on the market. Made in the USA.

QA1-5204	1982-92 All Trailing Arms	269.99 pr.
QA1-5275	1982-92 All Trailing Arm Brackets.....	94.99 pr.

QA1-5202

QA1-5222

QA1 Panhard Bars

QA1 Panhard Bars feature an improved design that resists unwanted flex and twisting, keeping the axle properly located under the chassis for improved cornering and drivability under all conditions. Adjustable Panhard Bars are needed for lowered cars to maintain proper axle alignment. Panhard bars include our fluted, greaseable graphite/polyurethane bushings for a long, trouble free life. Made in the USA.

QA1-5222	1982-02 All Adjustable.....	149.99 ea.
QA1-5202	1982-02 All Non-Adjustable.....	94.99 ea.

QA1-52801

QA1 Adjustable Rear Toe Links

The QA1 Adjustable Rear Toe Links help keep tires planted firmly on the ground and pointed in the right direction to improve handling performance. They are constructed with aluminum adjustment sleeves, 5/8th inch heavy duty rod ends and urethane bushings for strength and stability. They replace OEM arms produced from stamped steel that can deform under hard cornering loads and use an eccentric for rear toe adjustment that is susceptible to slippage. The rod end on the QA1 Toe Links allow the suspension to operate smoothly throughout its full range of motion. The kit includes lockouts for the eccentrics to stop any movement of the rear toe adjustment and relocate the adjustment point onto the toe link for a finer and easier adjustment. Made in the USA.

QA1-52801	2010-11 SS Rear Toe Links.....	259.99 pr.
-----------	--------------------------------	------------

No volume discount.

QA1-5282

QA1 Torque Arms

QA1's Torque Arms feature strong tubular construction and a graphite/polyurethane front bushing to reduce wheel hop caused by excessive flex under hard accelerations and cornering. Adjustable Torque Arms are built from 1 inch x 0.120 inch wall tubing. The adjustable arm features a 3/4 inch spherical rod ends, allowing easy pinion angle adjustment. Powder coated black for durability with grade 8 bolts. Made in the USA. Fits vehicles with GM corporate 10-bolt rear ends in which front locator of stock torque arms has lips facing away from driveshaft.

QA1-5282	1982-02 All* Adjustable.....	329.99 ea.
QA1-5280	1982-02 All* Non-Adjustable.....	229.99 ea.

*Can be used on 1982-83 Camaro/Firebird with 1984 or newer mount. No volume discount.

QA1-DK02-GMF4

QA1 Drag Race Suspension Kits

Looking for a better launch, straight line stability and consistent performance? Turn to QA1's drag racing suspension kits for a full-vehicle upgrade that fits your needs. Available in two different levels of performance, these drag racing kits offer easy, bolt-in installation and seamlessly works with whatever OE component each piece attaches to.

Level 1 Includes: Front R series Stocker Star shocks, upper street control arms, lower street control arms, stock spring seat adapter, tie rod adjuster sleeves.

Level 2 Includes: Front Double Adjustable Pro Coil shock system, thrust bearing/spanner wrench kit, Upper race control arms, Lower race control arms, tie rod adjuster sleeves, ball joint tool kit. Available with and without shocks.

NEW PRODUCT: QA1 SUSPENSION (CONTINUED)

QA1 Performance Handling Kits

Want better handling? Turn to QA1's handling suspension kits for the best ride that fits your needs. Available in three different levels of performance, these handling kits offer easy, bolt-in installation and seamlessly works with whatever OE component each piece attaches to. You can build your car in stages using our parts list as a road map to get to the level of performance you want and have the peace of mind knowing you won't have compatibility issues.

QA1-HK12-GMF3

1967-81 Kits

Level 1 Includes: Front non-adjustable Stocker Star shocks, front sway bar, tie rod adjuster sleeves.

- QA1-DK01-GMF1 1967-69 w/ Shocks.....1567.99 kit
- QA1-DK01-GMF2 1970-81 w/ Shocks.....1887.99 kit

Level 2 Includes: Front single adjustable Pro coil shock system, front sway bar, thrust bearing/spanner wrench kit, upper street control arms, lower street control arms, tie rod adjuster sleeves.

- QA1-DK02-GMF1 1967-69 w/ Shocks.....2042.99 kit
- QA1-DK12-GMF1 1967-69 w/o Shocks.....1287.99 kit
- QA1-DK02-GMF2 1970-81 w/ Shocks.....2503.99 kit
- QA1-DK12-GMF2 1970-81 w/o Shocks.....1287.99 kit

Level 3 Includes: Front double adjustable Pro coil shock system, front sway bar, thrust bearing/spanner wrench kit, upper race control arms, lower race control arms, tie rod adjuster sleeves, ball joint tool kit.

- QA1-HK03-GMF1 1967-69 w/ Shocks.....2292.99 kit
- QA1-HK13-GMF1 1967-69 w/o Shocks.....1537.99 kit
- QA1-HK03-GMF2 1970-81 w/ Shocks.....2763.99 kit
- QA1-HK13-GMF2 1970-81 w/o Shocks.....1547.99 kit

1982-02 Kits

Level 1 Includes: Front single adjustable Stocker Star struts, rear single adjustable Stocker Star shocks, front & rear sway bars, tie rod adjuster sleeves, boxed rear lower trailing arms, tubular panhard bar, non adjustable torque arm.

- QA1-HK01-GMF3 1982-92 w/ Shocks.....1917.99 kit
- QA1-HK11-GMF3 1982-92 w/o Shocks.....1122.99 kit
- QA1-DK11-GMF4 1993-02 w/ Shocks.....959.99 kit

Level 2 Includes: Front single adjustable Stocker Star struts, rear single adjustable Stocker Star shocks, caster camber plates, thrust bearing/spanner wrench kit, front & rear sway bars, tie rod adjuster sleeves, lower front street control arms, boxed rear lower trailing arms, trailing arm relocation brackets, tubular panhard bar, non adjustable torque arm.

- QA1-HK02-GMF3 1982-92 w/ Shocks.....3524.99 kit
- QA1-HK12-GMF3 1982-92 w/o Shocks.....1902.99 kit
- QA1-HK02-GMF4 1993-02 w/ Shocks.....2287.99 kit
- QA1-HK12-GMF4 1993-02 w/o Shocks.....1064.99 kit

Level 3 Includes: Front double adjustable pro-coil struts, rear double adjustable pro-coil shocks, caster camber plates, thrust bearing/spanner wrench kit, front & rear sway bars, tie rod adjuster sleeves, lower front race control arms, boxed rear lower trailing arms, trailing arm relocation brackets, tubular adjustable panhard bar, adjustable torque arm, ball joint tool kit.

- QA1-HK03-GMF3 1982-92 w/ Shocks.....4054.99 kit
- QA1-HK13-GMF3 1982-92 w/o Shocks.....2052.99 kit
- QA1-HK03-GMF4 1993-02 w/ Shocks.....2857.99 kit
- QA1-HK13-GMF4 1993-02 w/o Shocks.....1314.99 kit

No volume discount for all.

QA1 Front Coilover Shock Kits

The QA1 Pro Coil System is a great option for anyone looking for fully adjustable ride height and valving control. Choose a spring rate and adjustability that fits your driving style, adjust the valving to match and you are on your way. These shocks also utilize a fully threaded body that allows you to adjust your ride height for the perfect stance or to finely tune the weight balance for superior handling. Specially designed for QA1's Pro Coil Systems, the American-made lightweight high travel springs have fewer coils and a smaller wire diameter, resulting in increased travel due to the larger distance between the coils. They reduce unsprung weight and react faster, optimizing suspension performance. Adjustable Pro Coil System Features: Available in MOD Series, independent compression and rebound double adjustable, simultaneous compression and rebound adjustable, or Drag R Series adjustable. Lightweight Billet Aluminum Coilover Shocks High Travel Springs Easy, Bolt-In Installation Ride Height Adjustable, Made in the USA
SA = single adjustable DA = double adjustable
DR = drag series adjustable MO = mod series

QA1-GS401-10400A

QA1-GD501-10550C

Small Block Included spring rate: 400 Lbs, ideal for front axle weight between 1801-1900 Lbs.

- QA1-GS401-10400A 1967-69 SA.....545.99 kit

QA1-RCK52327

QA1 Rear Coilover Shock Kits

QA1 bolt-in rear coil-over conversion kits. These kits include specially designed USA made mounting brackets, single, double or MOD Series adjustable aluminum shocks specific to 3rd and 4th Generation F-Bodies, springs and all necessary hardware. Single adjustable shocks provide 18 positions of simultaneous rebound and compression adjustment while QA1's double adjustable shocks provide 18 positions of compression adjustment and 18 positions of rebound adjustment, for a total of 324 possible valving combinations. MOD Series shocks also feature a double adjustable design but include adjustable low-speed bleed as well for fully independent control over compression and rebound characteristics. These shocks also utilize a fully threaded body allowing for ride height adjustability. Multiple spring rate options are also available, and have been successfully tested in various applications, from casual street driving to hardcore race applications. With our highly popular adjustable struts and the addition of the rear coilover conversion kit, you can now get a complete suspension makeover for both ends of the vehicle. Bolt-In installation. Made in the USA.
SA = single adjustable DA = double adjustable
DR = drag series adjustable MO = mod series

Included spring rate: 110 Lbs, ideal for soft ride feel.

- QA1-RCK52327 1982-92 SA613.99 kit
- QA1-RCK52331 1982-92 DA773.99 kit

Included spring rate: 130 Lbs, ideal for medium ride feel.

UMI-266501-B

UMI Corner Max Kit, Race & Street Handling

UMI's Corner Max front end kits for 1970-1981 Camaro are a comprehensive system with our best corner carving parts under one easy to find part number. The Corner Max system combines geometry corrected a-arms with tall ball joints, higher rate springs, UMI rebound adjustable monotube shocks, heavy duty sway bar and a bump steer kit. The foundation of the kit includes our coilover-only lower a-arms featuring caster improvement, tall ball joints and the ability to remove the spring and shock without taking the spindle apart. The upper a-arm features rod ends for smooth operation and the ability to adjust without shims. The 1-5/16th inch sway bar upgrade complete with UMI's fabricated end links reduces body roll and helps speed transitions. Racing coilover springs are paired with UMI's rebound adjustable coilover monotube shocks. Fine-tuning is accomplished with a UMI bump steer kit. The Corner Max kit is built to make the stock GM clip work as well as it possibly can with a true bolt-on kit. All UMI Performance parts are fabricated and raced with pride out of Philipsburg, PA - USA.

-----------	--------------	------------

SSM-1304

SSM-1319

Southside Machine Lower Traction Lift Bars

SouthSide Machine lift bars use the axle torque to increase your tire traction by lowering the center of gravity on the rear axle. This forces torque downward instead of forward, planting your rear tires by pushing them down into the pavement. This greatly reduces wheel spin and eliminates axle-hop. If you're not using these classic SSM lift bars, you'll just be spinning your wheels!

SSM-1304	1967-69.....	199.95 pr.
SSM-1319	1970-81.....	199.95 pr.

No volume discount.

UMI-2660

UMI Tie Rod Adjusters

These Camaro tie rod adjusters from UMI Performance are designed to eliminate the factory clamp style design making adjustments easy and hassle free while adding enhanced steering. CNC machined from solid mild steel hex and feature left and right hand threads for easy on-car adjustments then finished in a durable black powder coat. These tie rod adjusters work with the factory tie rod ends with no modifications.

UMI Upper & Lower Tubular A-Arms

Improve the street and track performance of your F-body and achieve that precise Pro-Touring feel by adding a set of fabricated tubular A-Arms. The stock geometry lower a-arms, which work with most popular springs and coilovers, feature tough tubular construction with greaseable polyurethane bushings for precise handling and smooth suspension motion. Optional Delrin® bushings offer additional precision and decreased friction. The ball joint mount is angled slightly from stock to permit usage with lowered vehicles and the design offers additional wheel clearance. The tubular upper a-arms feature Delrin® bushings as well as billet chromoly cross shafts. The relocated ball joint mounting pad increases caster, steering feel and stability without excessive shims and can be loaded with 1/2" taller upper ball joints to improve camber performance. The ultra tough red or black powder coat finish guarantees your performance parts stay beautiful on your street car, drag car, auto crosser or Pro-Touring machine. For the best handling and tire life from UMI designed a-arms, included with each kit are recommended alignment specs along with detailed installation instructions.

UMI Solid Sway Bars

UMI Performance solid sway bars are designed to reduce body roll, understeer and increase cornering capabilities resulting in a more balanced suspension. UMI Performance sway bars are manufactured from 4140 chrome moly steel and formed as one piece to ensure maximum strength and performance. The rear sway bar is heat treated to maintain longer memory than a cold bent sway bar. The front sway bar is CNC bent for a precision fit. Kit is available powdercoated bright red or gloss black for a durable long lasting finish.

UMI-2500-R

UMI Driveshaft Tunnel Brace

The UMI heavy duty tunnel brace reinforces the tunnel area and reduces chassis flex by replacing the weak factory stamped steel brace. Reinforcement of this area is critical because of the drive shaft carrier bearing location. The UMI tunnel brace is fabricated from CNC machined 3/16" thick mounting plates, rectangular tubing and MIG welded. The tunnel brace is a 100% bolt in application and uses existing factory mounting holes. Installation requires basic hand tools and can be completed in less than a half hour.

No Volume Discount.

UMI Front Crossmember

The UMI Performance tubular K-Member instantly removes up to 25 lbs. from the front of your vehicle while still maintaining strength for streetability and daily use. This item has been designed to handle everything from drag racing, daily driving and even autocross. Our dual tube center section adds increased strength over the competitors' design, making this item far more superior and able to handle every day stress and abuse. Additional front end adjustment can also be achieved with this item, the lower A-Arm slots feature a 1/2 inch adjustment built in and will work with the stock and any aftermarket A-Arm set-up. The front and rear A-Arm slots also feature additional bracing to withstand hard side loads and extreme pressure. This tubular K-Member also features integrated motor mounts eliminating the stock cast iron mounts and for maximum weight savings. Combine this with a set of our lower control arms and expect a weight reduction of up to 33 lbs. Insert color choice in ___ R = Red B = Black

Koni Shocks & Kits

Koni "Yellow" sport struts and shocks are widely considered to be the best standard mount bolt-on shock for corner carving. This Koni SPORT kit is a direct replacement for the worn factory shocks on your Camaro. Koni Yellows feature excellent handling combined with a sport oriented, corner carver worthy feeling. Yellow shocks and struts are on car adjustable unless otherwise noted.

Koni "Orange" STR-T shocks are considered to be a great choice for handling on a budget mount bolt-on shock for corner carving. This Koni STR-T shock kit is a direct replacement for the worn factory shocks on your Camaro. Koni Orange shocks feature excellent handling combined with a smooth ride on the street. Orange shocks are non-adjustable.

UMI Rear Toe Rods

The rear toe rods control the camber alignment of the rear end preventing the tire from moving inward or outward during suspension load. The factory toe rods are made from flimsy stamped steel and feature soft rubber bushings causing deflection which leads to erratic handling, poor traction and possible rear tire wear. Replacing the factory arms with heavy duty toe rods makes for a more stable suspension, improved traction and better braking. Insert color choice in ___ R = Red B = Black

UMI Torque Arms & Kits

Track abuse, street abuse or just flat-out abuse, this torque arm is designed to handle it all! Eliminate unwanted traction problems by adding a UMI Performance tunnel brace mounted torque arm. This aftermarket torque arm replaces the flimsy factory torque arm while adding strength, rigidity and eliminating suspension flex. Insert color choice in ___ R = Red B = Black

UMI Torque Arm Relocations Kits

Installing a TH350 or TH400 Automatic transmission into your 1993-1997 Camaro just got easier. This crossmember with integrated torque arm mount features the correct provisions for mounting the transmission while still allowing the use of a factory style torque arm. The built in torque arm mount will work with virtually any stock style aftermarket torque arm as well as the factory torque arm and features instant center adjustment by moving the front of the torque arm up or down. Insert color choice in ___ R = Red B = Black

UMI Driveshaft Safety Loop

This NHRA legal driveshaft safety loop is a bolt-in application for the 1993-2002 Camaro. This item bolts to existing floor pan holes to replace of the factory tunnel brace and requires no welding. This is a must for tracks that require a safety loop for cars running faster than 13.99 in the quarter mile. The loop is constructed of 0.250 inch thick mild steel with CNC machined mounting points for a superb fit. Driveshaft safety loop includes new hardware and installs in 30 minutes using basic hand tools. Driveshaft loop will not work with UMI tunnel mounted torque arms or similar tunnel mounted torque arms. It will clear with the stock torque arm, UMI transmission mounted torque arms and most aftermarket torque arms bolting into the factory location. Insert color choice in ___ R = Red B = Black

UMI-2240-__	1993-02 All	119.99 ea.

UMI-2019-R

UMI Rear Panhard Bar

UMI's tubular panhard bar kits are a direct replacement for the flimsy stock stamped panhard bar. They add strength as well as bushing improvement. The panhard bar greatly increases rear stability, controls side movement and body flex; a must when hard driving habits are present.

Insert color choice in ___ R = Red B = Black

HURST-3160001

HURST-3838530

Hurst Automatic Shifters

From the originator of high performance manual shifters, is our line of performance street and racing shifters for automatic transmissions that won't let you down.

Pro-Matic 2

Ratchet-action shifter with its chrome-plated stick and black knob is quality engineered for years of precise, trouble-free operation.

HURST-3838500 All 3 Speed.....310.99 ea.

V-Matic 3 Shifter

Designed with a park and reverse lock trigger actuating system that allows smooth and flawless ratcheting through the forward gears.

HURST-3838530 All 3 & 4 Speed.....361.99 ea.

Quarter Stick

The Quarter Stick shifter provides positive gear change control for both street and race applications. Its compact size fits easily in racecars with limited space and is very lightweight at only 2.5 pounds. Features include black oxide coated steel construction, 1018 hardened steel gate plate, forged aluminum shift stick with 7/16-20 tpi and a classic white Hurst shift knob.

B&M Automatic Floor Shifters

From the originator of high performance manual shifters our line of performance, street and racing shifters for automatic transmissions won't let you down. With classic good looks and proven mechanical designs giving choices of either positive ratcheting actions or gated racing shifters, provide positive shifts guaranteeing you won't miss a shift when it counts.

BM-80885

BM-80675

Starshifter

Features include NHRA/ IHRA reverse lockout, backup light switch, neutral safety switch, polished T-handle. Cable operated for quick installation and accurate shifting.

BM-80675 All 2&3 Speed226.99 ea.

BM-80690

Megashifter

The B&M Megashifter has it all, form, function and classic style. This all adds up to bring you a quality shifter that's been one of the most popular automatic shifters of all time. First off let's talk function. The Megashifter's positive ratcheting function won't allow you to over shift and miss a gear at that critical moment, along with the reverse lockout feature meets NHRA/IHRA safety rules for those weekend grudge races at the track. The look and feel of the T-handle and accordion style shift boot really shows off the racing heritage of the Megashifter.

BM-80690 All 2,3,4 Speed.....364.99 ea.

BM-80694 1973-81 2,3,4 Speed.....369.99 ea.

BM-80683

Quicksilver

The B&M Quicksilver features a ratcheting action for positive shifts, Chrome Knob, neutral safety switch, NHRA/IHRA approved Reverse Lockout.

BM-80683 All 2,3,4 Speed330.99 ea.

BM-80688 1973-81 2,3,4 Speed.....322.99 ea.

Hammer

The Hammer shifter may just be the most comfortable and versatile shifter available. The unique design of the shift handle easily fits all sizes of hands providing the best wrist angle and feel when shifting.

BM-80885 All 2,3,4 Speed.....250.99 ea.

BM-80706

Pro Stick

The Original Pro Stick shifter delivers rock-solid performance, mixed with clean design cues and compact size. This is why you see so many Pro Stick shifters at the race track.

BM-80706 All 2,3,4 Speed321.99 ea.

BM-81052

Stealth Magnum Pro Stick

The Stealth Magnum Grip Pro Stick shifter delivers rock-solid performance, mixed with clean design cues and compact size.

BM-81052 All 2,3,4 Speed305.99 ea.

BM-80840

Pro Ratchet

The Pro Ratchet shifter is one of our most popular and easiest to operate race shifters. Features include a positive ratcheting design that self-centers the handle after each shift giving you maximum clearance behind the shifter and won't allow you to miss a shift by over-shifting a gear. This versatile shifter will operate both forward and reverse shift patterns.

Hurst Transmission Swap Crossmembers

These ultra-trick Hurst transmission cross-members have painstakingly been designed and fabricated from thick steel plate and heavy gauge steel tubing for a perfect fit and finish that has no equal. These bolt-in units are much stronger than the factory stock crossmembers and help maintain the correct transmission and driveshaft angle. Precision cut and fully mig-welded, then given a durable black powder coating finish to last a lifetime and give you peace of mind knowing you're buying the best parts available for your tremec TKO 5-Speed or Magnum 6-Speed conversions. You can surely trust the company that originally started out making conversion mounts back in 1958, Hurst Performance.

Centerforce Clutches & Flywheels

Whether you are building a street cruiser or a high powered drag race car, Centerforce clutches and flywheels will get you down the road reliably. With kits ranging from your basic entry-level performance clutch, to their radical twin disc kits, Centerforce offers the kit for you.

Steel Flywheels

Centerforce steel flywheels are manufactured from high quality billet steel and match closely to the original equipment flywheel weight. Please make sure to double check application before ordering.

700120	11" 168 Tooth, Internally Balanced Engines 454 BB 33 in/oz	298.99 ea.
700140	11" 168 Tooth, Externally Balanced Engines	381.99 ea.

Flywheels for externally balanced engines have a 23.4 in/oz. counter balance.

Centerforce I Clutch Kits

The Centerforce 1 Clutch Series is designed as a high-quality entry-level performance clutch for those in need of a superior stock replacement. Please make sure to double check application before ordering.

Lakewood Bellhousing

The Lakewood 15000LKW bellhousing connects Chevy small and big block engines to transmissions utilizing the standard GM pattern such as the Muncie, Saginaw, Borg Warner T10 and Tremec TKO transmissions. This bellhousing is hydro formed to fit '58-'87 GM full and midsize cars, 67-81 F-body vehicles and 68-79 Novas. This bellhousing is S.F.I. 6.1 certified which is required by many sanctioning bodies for cars running 11.49 or faster in the quarter mile. The Lakewood 15000 comes complete with engine block plate and Grade 8 mounting hardware.

1967-81 Sniper Fuel Injection Fuel Tanks

Converting the carbureted fuel system on your car or truck over to EFI can be a daunting task. We have made this conversion easy with our complete tank and fuel system kits! When converting to EFI, it is crucial that you do not contaminate your new parts with dirt, rust, and sludge from an old fuel tank. Sniper fuel tanks are designed to meet or exceed the quality of your factory fuel tank. Sniper tanks are made from steel with a galvanized finish that are manufactured to the OEM specifications. Narrow corner tanks offer more room for large tire combos.

*Off Road racing use only - not legal for use on catalyst equipped vehicles. Requires double hump crossmember. Requires fabrication and/or welding to adapt system to manifolds or headers. Note: These systems do not fit convertibles without a body X-brace modification.

FLOW-17233

Flowmaster American Thunder Cat Back Systems

American Thunder systems deliver a moderate to aggressive interior and exterior tone and are suited to the enthusiast who wants their performance to be heard. Like all Flowmaster systems, the benefits include improved throttle response, power and mileage. Designed for an easy fit, these systems include all necessary parts and hardware for easy installation.

- Dyno tuned for maximum performance
- Includes hangers and hardware for easy installation
- Moderate to aggressive sound exterior exhaust tone
- Mandrel bent 16 gauge tubing

For the person who wants the look of a traditional dual exhaust system with all the benefits that a Flowmaster Cat-back exhaust system provides. D.O.R. (Dual out rear) systems are the perfect choice.

*Moderate sound. **Aggressive sound. *** Will not fit with ground effects package. Does not fit models with dual mode exhaust option. Does not fit convertible models. **** Fits 2013-2015 Chevrolet Camaro SS and ZL1 with a 6.2L V8 engine and Dual Mode Exhaust Option. Also fits 2015 3.6L V6 with D/M Option. Fits Hardtop Coupe Models Only. No volume discount.

FLOW-817506

Flowmaster Force 2 Axle Back Systems

These quieter sounding systems are designed to replace original rear mounted mufflers located behind the rear axle using factory style connections. With easy fit in mind, these systems are mandrel bent for maximum performance, include specially selected mufflers and all necessary parts and hardware for easy installation. This Force II systems deliver a mild exterior and interior tone, and are suited to customers looking for efficiency improvements without a lot of noise. Like all Flowmaster systems, the benefits include improved throttle response, power and mileage.

- Dyno tuned for maximum performance
- Includes hangers and hardware for easy installation
- Stock to mild exterior exhaust tone
- Mandrel bent 16 gauge tubing

For the person who wants the look of a traditional dual exhaust system with all the benefits that a Flowmaster axle-back exhaust system provides. D.O.R. (Dual out rear) systems are the perfect choice

FLOW-817506	2010-13 6.2L SS 3**.....	659.99 kit

Does not fit with factory ground effects. No volume discount.

FLOW-817504

Flowmaster Outlaw Axle Back Systems

Our race-oriented Outlaw systems are designed to replace original rear mounted mufflers located behind the rear axle using factory style connections. With easy fit in mind, these systems are mandrel bent for maximum performance and include specially selected mufflers. Outlaw systems deliver an ultra aggressive interior and exterior tone and are suited to the enthusiast who wants the most aggressive components they can purchase. Like all Flowmaster systems, the benefits include improved throttle response, power and mileage.

- Dyno tuned for maximum performance
- Includes hangers and hardware for easy installation
- Aggressive loud exterior exhaust tone
- Mandrel bent 16 gauge tubing

For the person who wants the look of a traditional dual exhaust system with all the benefits that a Flowmaster axle-back exhaust system provides. D.O.R. (Dual out rear) systems are the perfect choice

FLOW-81083

Flowmaster Scavenger Series X-Pipe

Flowmaster's new Scavenger X-pipe kit for the 2016-2019 Camaro SS and 2017-2019 Camaro ZL1 is a great way to improve the performance of your engine while giving your car a unique race inspired tone letting others know your serious when it comes to performance. Features dual 3.00 inch mandrel-bent 409s stainless steel tubing and utilizes Flowmaster's patented D-port design to help maximize exhaust scavenging. These Scavenger Series X-pipe assemblies are intended to be used as an upgrade to Flowmaster's rear section Axle-back kits, and replace the heavily flattened section of the factory system. Does not fit convertibles.

- Flowmaster reliability • Race proven technology
- Dyno tuned for maximum performance
- Stainless steel construction

Flowtech Afterburner Headers

Flowtech's Afterburner Turbo Chamber Headers represent the first new major design change in exhaust technology in decades. This design combines the race-proven 4 into 1 design with the torque managing capabilities of a Tri-Y header. The turbo chamber helps smooth out exhaust turbulence for increased performance and a broad power curve.

- Horsepower and Torque increased over conventional header design
- Big 3" secondary collector for reduced back pressure
- Tuned-length primary tubes combine with Velocity Tube to smooth out exhaust pulses
- All hardware and premium gaskets included for a complete installation
- Patented Velocity Tube increases cylinder scavenging

Hooker Cast Iron Exhaust Manifolds

Hooker cast iron exhaust manifolds have been designed to hug close to the engine block so they fit into a wide variety of replacement and engine-swap applications. Their shorty design means you can route exhaust tubing close to your frame/ floor pan for maximum ground clearance. "Hook" up your GM LS engine with Hooker cast iron manifolds today!

- Intended for all GM LS (except LS7 and LS9) engine swap applications where durability, quiet operation, emissions compliance and leak-free sealing is desired
- Cast from Hi-Silicon-Moly Ductile Iron to provide durability and corrosion resistance
- 2.25-inch outlet diameter
- Free-flowing for good performance and catalytic converter efficiency
- Recommended for strong performance on engines making up to 500 horsepower

Flowtech Shorty Headers

Flowtech headers are the perfect combination of performance and value. Flowtech headers are precision engineered using mandrel bent tubing, formed collectors and 5/16" flanges with sealing rings for a leak-free seal.

- Short tube header design for maximum ground clearance
- Mandrel-Formed Power Plenum for maximum flow
- Constructed of .049 cold roll flash mild steel tubing
- Sturdy, leak-tested O-Ring port seals
- Engineered for an easy, trouble-free precision fit
- Includes all mounting hardware and premium gaskets

COLD-545AFK

COLD-547AFK

1967-81 Cold Case Radiators

These COLD-CASE radiators are TIG welded 100% aluminum. These radiators have dual oversize 1-1/4" cooling rows making them more efficient than four 1/2" rows seen on 4 row models. Cold Case aluminum radiators cool 20% better than OEM copper radiators and are more than 50% lighter. They are original in appearance with OEM style stamped tanks for strength and that OEM original look. Once painted, they look like originals to all but the concourse fanatic. Each radiator is pressure tested, direct fit and carries a Lifetime Warranty!

Frostbite Performance Cooling

High-Horsepower street cars and race cars can be a challenge to keep cool. A proper cooling system starts with Frostbite. When it comes to keeping your ride cool, Make it Frostbite!

Aluminum Radiators

Our line of Performance Aluminum Radiators are available in 2, 3 and 4-row sizes as well as specific LS-Swap applications.

- 100% TIG welded (brazed) seams
- Aircraft quality aluminum core, fittings and tanks (up to 30% weight savings)
- Billet Aluminum Filler Neck and OEM style Brass Petcock
- Custom Frostbite High Performance 16lb radiator cap
- Polished top and tanks for custom show appearance
- 2-Row Radiators supporting applications with 300-500 horsepower • Transmission cooler provisions

Aluminum Radiators by Champion Cooling Systems

These aluminum radiators are made to the highest of standards paired with unequalled quality precision and workmanship. All Champion aluminum radiators are constructed using 100% welded seams brazed core technology and absolutely no epoxy. All Champion radiators come with a lifetime limited warranty and are made to install with little or no modifications using your original mounts, giving you the confidence you deserve. Choose from the following series:

Economy Core Series - 2 Rows of 3/4" Tubes = Approx. 400-600+ HP Cooling Capacity.

Champion Core Series - 3 Rows of 5/8" Tubes = Approx. 600-800+ HP Cooling Capacity.

Monster Core Series - 4 Rows of 5/8" Tubes = Approx. 800-1200+ HP Cooling Capacity.

K&N Airfilter Kits

K&Ns custom air cleaner assemblies are designed with the racer in mind. They incorporate good looks as well as the superior air flow that you expect from K&N. These custom air cleaner assemblies are designed for use with any engine that uses a round element air cleaner housing. They incorporate K&N Air Filters and provide more air flow than other assemblies of this type. Each complete assembly comes with base, element and top plate. Provides more air flow to the engine, designed to increase horsepower, washable and reusable air filters.

Holley

HOL-0-1850SA

Holley Carburetors

Holley is one of the most trusted carburetors of all time! Its 600 CFM of airflow, vacuum secondaries, single fuel inlet and mechanical or electric choke makes it amazingly universal. The 4160 carbs are constructed from aluminum which compared to its zinc counterpart equates to a weight savings of 40%! Being aluminum also means it will hold its shine and can be hand polished for a custom look! Don't trust your performance to just anyone, Holley is the only modular carburetor company that has been in business for over 100 years and has powered every NASCAR champion since the 60's.

Quick Fuel Technology Carburetors

"Innovators in fuel systems" is more than just a by-line. Quick Fuel Technology, since its inception in 1998, has grown exponentially in its 11 years of business culminating into the benchmark by which performance carburetors are measured.

QF-HR-600

QF-SS-650

QF-Q-750

The Hot Rod Series is a versatile performer designed for the most discerning street enthusiast. Featuring lightweight die-cast aluminum components, the HR-Series offer all the tunability you would expect from more expensive racing carburetors, including changeable bleeds, idle feed, power valve channel restrictions, and four-corner idle. Offered in either vacuum or mechanical secondary models, all Hot Rod Series carburetors feature electric chokes and dual metering blocks for added performance. Now available in a 450 cfm model for applications with small displacement engines.

- All models feature a fully adjustable electric choke for easy starting
- Dual metering blocks w/ 4-corner idle for smooth and efficient idle quality
 - Screw-in air bleeds and idle feed restrictions for quick unsurpassed tuning capability
- Dual inlet fuel bowls with sight glass windows for safe, easy float adjustment
- Universal throttle lever with sealed throttle shafts for smooth operation
 - Tuneable secondary opening rate
 - Tumble polished for long lasting shine

Super Street Series carburetors combine street-friendly drivability and track-capable performance in a single value-oriented package. Setting them apart from ordinary street carbs, they feature billet dual metering blocks and throttle-bodies that offer tighter tolerances and eliminate porosity. Not only are Super Street Series carbs available with both vacuum or mechanical secondaries, QFT™ also offers models designed and calibrated specifically for E85 fuel and blow-through forced induction applications. Running alternative fuel or boost no longer requires an expensive custom carburetor. All SS-Series carburetors are equipped with universal throttle levers to accommodate a variety of models. Bolting on the ultimate street/strip carburetor has never been easier.

- Red billet dual metering blocks & silver billet throttle bodies for improved durability
- Changeable idle, high-speed air bleeds & power valve restrictions
- Dual inlet fuel bowls with dual sight glass windows for easy float adjustment
 - 4-Corner idle for precise idle and smooth transition
 - Fully-adjustable electric choke with easy one wire hookup
 - Race-ready with notched secondary floats and jet extensions
 - Polished or Black Diamond™ finish available (some models)

QF-SQ-650

Street-Q carburetor is intended to deliver legendary Q-Series performance to hardcore street enthusiasts at a reduced price. The major differences between the Street-Q and the race-bred Q-Series is the substitution of cast metering blocks and a cast throttle body in place of fully-machined billet components. All of the critical functionality is retained - 2-circuit metering, downleg boosters, changeable idle and high-speed air bleeds and 4-corner idle. A universal throttle lever to accommodate a variety of models.

- Lightweight die-cast aluminum components
- Changeable idle and high-speed air bleeds
- 2-circuit metering - 4-Corner idle system
 - Downleg boosters
 - 700-R4 mounting holes

Q-Series Race carburetors are purpose-built for the dragstrip. To combat the g's experienced during hard launches, Q-Series carbs are equipped with notched floats and secondary jet extensions. The high-flow aluminum main body isn't just lightweight, but it also features recessed air bleed cavities for improved air flow. Die-cast venturi are machined to exacting tolerances for outstanding throttle response. Billet metering blocks ensure a uniform fuel curve, while throttle-bodies enhance durability. For those days when track conditions vary from one pass to the next, QFT's QuickLink system makes adjusting the secondaries easy on models equipped with mechanical secondaries. The Q-Series is our most comprehensive line of carburetors, with applications available for use with gasoline, methanol, and E85 fuels, forced induction, drag race, circle track, and comes in both vacuum and mechanical secondary models.

- Lightweight aluminum main body
 - Mechanical secondary
- Aluminum fuel bowls with dual sight glass windows
- Billet metering blocks with 4-corner idle system
- Changeable idle feed and power valve channel restrictions
- PTFE coated and sealed shafts that have been slabbed for added air flow
- Red anodized billet metering blocks and throttle plate

QF-FX-4710

QFX-Series stands as the flagship model in QFT's lineup. Raised air horns improve entry angle into the venturi while ensuring undisturbed flow over the air bleeds. Annular boosters with CNC-machined billet aluminum inserts provide increased air flow, a stronger signal, and less turbulence. QFX carbs offer unparalleled fuel atomization with annular boosters specific for either gas, methanol, or E85 fuels. Five-emulsion billet metering blocks and four-corner idle circuits offer flexible tuneability that today's high-horsepower engines demand. Ready to run out of the box, the QFX-Series carburetor will help you get to the winner's circle.

- QFX aluminum main body w/raised venturi
- Billet aluminum metering blocks with screw in restrictions
- Aluminum fuel bowls with dual sight windows and fuel inlets
 - Viton .130" Needles and Seats
- Billet Aluminum annular booster inserts
- QuickLink™ adjustable secondary opening adjustment
 - Hand assembled and engine tested

CPN-100	Hose.....	1.95 per ft

THERMOSTAT

Tuff Stuff Performance Thermostats

These thermostats flow up to 56 gallons per minute, as compared to ordinary thermostats that flow 37 gallons per minute, to maintain stated temperature. The 50 percent increased coolant flow reduces the delay in engine warm-up times, allowing trapped air in the cooling system to escape and stabilize the pressure of the cooling system. The stainless steel construction with an extra-large center port assures increased coolant flow and bridge design increases strength, stability & reliability and incorporates a bypass valve that allows a small amount of coolant to circulate before fully opening, assuring a fast warm-up. Ideal for high performance muscle cars, street rods and customs.

MSD-8360

MSD Pro Billet Distributor

The Pro-Billet Ready-to-Run distributor is the perfect upgrade for outdated points distributors or bulky HEIs. Simply install the distributor in the engine, connect three wires, the coil and fire it up!

MSD-8360	Chevy V8*.....	361.99 ea.
MSD-85551	Chevy V8**.....	281.99 ea.

*Does not have nor can accept a vacuum advance canister.

**Must be used with a MSD 6,7, or 8 ignition box.

Note: Standard deck height blocks only. Will not fit gen 5 and 6 big blocks. No volume discount.

MSD-8362

MSD HEI Distributor

For value conscious enthusiasts, the Street Fire HEI is a great choice! We know the importance of a centrifugal advance in a distributor so our engineers made sure that the Street Fire received an advance assembly with coated weights and welded weight pins (not just pressed in like other models). Another area that you cannot afford to scrimp on is with a distributor gear. The Street Fire is fit with the same gear that is used on our Pro-Billet models. The metallurgy of this gear has been refined for years to perform through the harshest conditions

MSD-8362	All, Red Cap 4 Pin*.....	167.99 ea.
MSD-8365	All Billet, Red Cap 4 Pin*.....	448.99 ea.

Note: Standard deck height blocks only. Will not fit gen 5 and 6 big blocks.*Refers to the amount of terminals on the ignition module. No volume discount.

MAL-374820

Mallory Unilite Distributor

A legend returns - the tried and true Mallory Unilite Distributor line is back! The easy three wire hookup of the Unilite makes running a stock coil, a Mallory performance coil and even a Mallory HyFire CD ignition a snap. Supplied with a quality cap and rotor, the Mallory Unilite also provides a fully adjustable mechanical advance to dial in the perfect timing curve for a multitude of engine combinations. The Unilite features a compact housing that lends itself well to applications where space is a premium due to tight firewall clearance or blower applications.

MAL-3748201	All SBC, BBC*.....	318.99 ea.
-------------	--------------------	------------

*Standard deck height blocks only. Will not fit gen 5 and 6 big blocks. No volume discount.

This brightly chrome plated ignition coil bracket will look great in your engine compartment. Fits most round cylinder style ignition coils.

GCS-S9366	Coil Bracket	7.19 ea.
-----------	--------------------	----------

MSD-6201

MSD Ignition

An MSD Ignition will improve the overall performance of your engine thanks to its high output capacitive discharge sparks. Below 3,000 rpm the ignition delivers multiple sparks that will clean up the idle, improve starting and throttle response. If you're looking to improve the performance of your modified mill, we have the answer. Whether you've done a cam swap, or bolted on a carb, intake and headers the 6A is a surefire way to harness all the ponies under your hood. Step up to the 6AL to have an engine saving rev limiter.

MSD-6201	Red All 6A	232.99 ea.
MSD-6425	Red All 6AL	269.99 ea.

ALL-70BB3Q

"Dated" Spark Plug Wire Set

New OE style reproduction wire set correctly dated for your specific car, pre-cut and ready to install! Each set features correct colored wires and correct angled boots. Please give your sales rep your desired date. For points style, non-HEI cars only.

Here's how to order:

ALL-(year)(block)(quarter)

79.99 set
Note: For example, a 1970 Camaro SS396 built on or before Jan. 15, 1970, you would order ALL-70BB3Q wires will have 3-Q-69 stamped on them. If built after Jan. 15, 1970, you would order ALL-70BB1Q.

AHC-1508

Spark Plug Wire Sets

Pre-cut factory replacements.

AHC-1508	1967-73 SB non-HEI	39.95 set
AHC-2508	1967-72 BB non-HEI	39.95 set
AHC-3508	1974-81 with HEI	52.95 set

AC43

AC Delco Spark Plugs

This is a brand new set of 8 spark plugs for your Camaro. These high quality reproduction AC Delco spark plugs feature the correct green AC and markings as original.

AC43	1964-70 #43	59.95 set
AC44	1964-70 #44	59.95 set
AC45	1964-70 #45	59.95 set

Note: The number on the plug refers to its operating temperature. The lower number is a cooler running plug which is typically found on the SHP high performance engines. A hotter, higher numbered plug would be used in engines where plug fouling may be or is a problem.

APX-6584

Spark Plug Heat Shield Kit BB

Correct stamped shields for various Chevrolet cars with BB engines (8 pcs.)

APX-6584	1967-72 BB 8pc	38.95 kit

OIL SYSTEM

Holley LS Swap Oil Pan

GM's popular LS engines are finding their way into a large variety of vehicles. They make great power, plus they're very durable and reliable. Unfortunately, the factory LS pans don't always fit or they hang too low for today's hot rods. Holley's new LS Retro-fit Engine Oil Pan is designed to help! It provides maximum clearance to the chassis and ground, plus provides an OEM fitment for durability and proper sealing.

- Provides OEM fitment- OEM oil filter mounting, OEM oil cooler port provision, OEM engine NVH suppression, OEM flange gasket and sealing, proper structural rigidity and OEM bell-housing attachments.
- Traditional high-quality cast aluminum appearance with clean exterior styling.
- Provides maximum clearance to chassis
- Cast and machined aluminum
- Complete kit including sump baffle, pick-up tube, sump plug, oil filter stud & oil passage cover.
- Fits GM rear wheel drive applications that were originally equipped with a Small Block or Big Block Chevy engine and traditional rear sump oil pan*

HOL-302-2 1967-81 All 349.99 ea.
 Maximum crankshaft stroke = 4.25"
 *Engine location may need to be adjusted (up / down or fore / aft) for cross member or steering linkage clearance depending on the vehicle, steering configuration and chassis type.
 No volume discount.

KN-PS2002

K&N Oil Filters

K&N Performance Oil Filters have been specially designed for professional installers and service providers. Their high flow design can help to improve engine performance by reducing oil filter restriction. Performance Gold Oil Filters have a Premium Wrench-Off design. Oil Filters have become a favorite among consumers for its durability and easy removal. Our Performance Silver Oil Filters have a fluted canister shape so they can be removed with a traditional oil filter wrench commonly available to commercial installers. These Performance oil filters provide outstanding filtration and engine protection throughout their service life. They are engineered to handle all grades of synthetic, conventional and blended motor oils. The pleated media provides high capacity making them suitable for extended oil change intervals when used in accordance with the vehicle and motor oil manufacturers recommendation.

- KN-HP2002 1967-92 Gold Wrench Off 11.99 ea.
- KN-PS2002 1967-92 Silver Standard Fluted 8.99 ea.

Tuff Stuff Gear Reduction Starters

These gear reduction starters will allow you to easily crank over your high performance engine. They use less draw than traditional replacement starters and gear reduction allows them to crank over engines with higher compression. These starters will work on both Small Block Chevy and Big Block Chevy Engines using 153 or 168 tooth flywheels. Please be sure to check your flywheel tooth count before ordering.

QF-30-350QFT

Quick Fuel Technology Fuel Pumps

For the street cruiser, it's tough to beat the simplicity and reliability of a mechanical fuel pump. Quick Fuel Technology's mechanical pumps flow 110 gallons per hour and utilize lightweight aluminum housings. They feature integrated shutoff valves that are preset at 6.5- to 8 psi, eliminating the need for a separate pressure regulator. For added installation flexibility, the pump casting can be rotated to accommodate various plumbing configurations. 3/8" NPT threads. Gasoline only.

QF-30-350QFT	Small Block	99.99 ea.
QF-30-454QFT	Big Block	107.99 ea.

No volume discount.

Quick Fuel Technology Electric Fuel Pumps

QFT's electric fuel pumps are perfect for combinations that are neither stock nor all out race cars. These pumps flow more than enough fuel to support between 400-750 hp. Mounting hardware and brackets are included.

- 125 GPH Flow Rate
- 14 PSI Maximum Pressure
- Features 3/8" NPT Inlets and Outlets
- Draws 4 Amps or Less at Full Load
- For Carbureted Gasoline Applications Only

Holley

Holley Chrome Fuel Pumps

Mechanical pumps designed to work with stock or mildly modified engines.

Free-flow output of 80 GPH (SB) or 80-130 GPH (BB). Body castings can be rotated 360-degrees to ease mounting in difficult places. Heavy duty construction can withstand long periods at high RPM. 1/4" (SB) 3/8" (BB) pipe thread inlet and outlet ports.

HOL-12834	Small Block	91.99 ea.
HOL-12835	Big Block	91.99 ea.

Note: Not compatible with methanol or alcohol. Cannot be used with fuel injection systems.

Holley Electric Fuel Pumps

Holley is proud to introduce the all new Holley Mighty Mite™ electric fuel pumps! They're big on performance, but small in size! They're quiet, easy to install and work with gas, diesel, blended alcohol and E85!

12 volt operation, .25 gal/hr flow, Good for up to 300HP naturally aspirated, Simple 2 wire hookup, Self-priming and regulating.

Quiet operation - 65db, Hose barsbs Fit 5/16" Fuel Hose, Made in the USA

HOL-12-426	All 25 GPH 1.5-4 PSI	49.99 ea.
HOL-12-427	All 32 GPH 4-7 PSI	49.99 ea.

No volume discount.

Holley Fuel Pressure Regulator

Holley fuel pressure regulators are designed to precisely control the fuel pressure from the fuel pump to the carburetor. Too much fuel pressure for a given needle and seat assembly will overload and may cause flooding or drivability problems. Each Holley fuel pressure regulator is fully adjustable so regulating the fuel pressure to your engines needs is simple.

12 volt operation. Preset to 7psi. 3/8" NPT ports (1 in, 1 out, 1 bypass or return). Used in systems with a return line back to the fuel tank

Vintage Air SureFit Kits

Vintage Air SureFit kits are the most complete, bolt-in climate control systems available for your Camaro SureFit kits install easily and utilize most of the factory sheet metal and body features and are engineered as "vehicle specific" complete systems.

Our SureFit kits are designed to place the evaporator case and air duct hoses behind the dash for a factory-clean look. In most cases, the SureFit system will be controlled by your stock dash controls using our exclusive patented "Cable Converters." In some applications, a new "factory" look control panel is included with the kit.

All SureFit systems provide full OEM-style operations including air conditioning, floor or vent exit heating and a powerful dehumidified defroster. To retain a true factory look, the A/C air exits through the factory dash louvers, if originally equipped in your car's dash. SureFit kits also offer the most complete and straightforward installations available anywhere. Our award-winning instruction booklets and carefully engineered system packages should make your SureFit installation job simple, fun and very cool!

The Gen IV is Vintage Air's most powerful and intelligent climate control system available for your Camaro. The Gen IV uses an exclusive fully electronic microprocessor control system that eliminates cables or vacuum connections. Separate high-capacity copper parallel-flow heat coil and aluminum plate-and fin-cooling coils provide outstanding performance and instant temperature adjustments.

Complete kits include the evaporator unit and mounting brackets, louvers (where required), duct hose, wiring harness, patented Electronic Cable Converters, compressor, engine brackets, condenser with brackets, preformed refrigerant lines, drier, fittings, hardware and installation instructions.

Features Include:

- Fly-By-Wire fully electronic servo motor controls with no cables or capillary tube to route
- Infinite just-right-temperature air blending
- Infinite blower fan speed adjustment (3-speed on factory air models)
- High-volume dehumidified defrost mode
- Separate high-capacity aluminum plate & fin cooling coil
- Copper/brass CuproBraz™ parallel-flow heater coil
- Mounts behind the dash
- Uses your factory system controls with our patented Electronic Cable Converters
- Flat steel firewall cover panel
- Replacement molded glove box (reduced capacity)

Fender Gripper

If you spend a lot of time working under the hood but don't want to scratch your paint a Fender Gripper is the answer! Made of non-slip material, the Fender Gripper will not slide off slick surfaces.

- Soft and cushioned for protection
- Tools will not slip off fender cover
- Completely washable 22 X 34 standard size

- Strong PVC product reinforced with nylon mesh
- Impervious to motor oil, coolant, lacquer thinner, brake fluid, etc.

- Many favorite brand logos are available
- Will not harm your paint

DSE011801

Detroit Speed Fender Brace Kit

This new DSE Camaro fender brace kit is another way to beautify your engine compartment. The fender braces are 100 percent CNC machined Clevis' from 304 stainless steel. The kit includes fabricated mounting brackets and comes with button head stainless steel mounting bolts. The fender braces triangulate the radiator core support to the fender and are fully adjustable (a benefit not available with your stock fender braces). All mounting brackets come powdercoated satin black.

Firewall Cover

A quick and easy way to cover up your rough firewall! Constructed of 16 gauge anodized aluminum which is easy to clean and can be painted to match your car. You only need to remove your hood, wiper motor, wire gutter and any accessories you've attached to your firewall and this panel will simply slide right in place. There is no need to remove your engine or even distributor!

AFC-67F	1967-69 Blank	135.99 ea.

OEM

OEM Bolts - They Just Make Sense!

It makes sense to use new bolts on new or restored parts! From bumper to bumper, we cover your entire vehicle. We have made our name and reputation on providing those hard to find detailing parts that separates your classic from the rest. All of our bolts are either original, OEM parts from original GM manufacturers or top quality reproductions. Manufactured with original head markings and correct plating (zinc, black phosphate and oiled, gold cadmium and silver cadmium), these bolts make assembly a breeze! Like our OEM paints, new bolt sets are what make a top flight restoration!

All bumpers ship Oversize.

MED-456 installed on our own 1969 Camaro.

1969 Endura Front Bumpers

Excellent quality reproduction of the optional endura bumper. This was an option on 1969 Camaros for those who wanted something other than a chrome bumper. The endura bumper was painted the same color as the car with high gloss acrylic lacquer. This will add an awesome "factory customized" look to your Camaro!

MED-456	1969 All	397.99 ea.

RSF-69F

RSF-69F Detail

1967-69 OEM Style Sub Frame

OEM style subframe which is an OE style replacement for your rusty, dented or bent original. There is no longer any need to waste money trying to repair your damaged original subframe. This subframe features factory style welds for an OEM appearance, extra bracing in the lower crossmember to add strength while jacking the car (but completely invisible on the outside) and holes and brackets as original. This subframe is very hard to tell from OEM due to all of these correct details.

Power Window Retrofit Kits

Ground Ups exclusive power window kits are the best available on the market today! They bolt into the original mounting holes making for a hassle free installation. Using 1018 cold-roll steel, bronze oilite thrust bearings at all the pivot points and heat treated metal for all gears results in a quality smooth operating regulator that will last for many years. The motors are all brand new and have been thoroughly tested for quality and feature a strong dependable motor. Kits include: new regulators, new ACI window motors, a new completed wiring harness, your choice of switches and the conduit from the a-pillar to the door. Our kits feature detailed instructions with helpful diagrams and photos. (F/R = Front and Rear Kit)

Detail

Dash Harness Classic Auto Fuse Series

Our new Classic Auto Fuse Series dash harnesses allow you to maintain the easy plug and play function of original factory type harnesses, while converting the entire fuse block to an Auto Fuse Series (ATO Type) fuse block. This gives you the flexibility to add additional power circuits without the installation headaches normally associated with this type of fuse box conversion. There is no cutting or modifying of any sort. Just plug it in and turn it on. It is completely compatible with the other original harnesses in your car.

**American Autowire
Classic Update Series Kits**

Classic Update complete wiring kits are made for the restoration enthusiast who wants some modern amenities in their classic vehicle. These kits include everything you need to modernize your classic vehicle: Headlight, Dimmer and Ignition Switches; Boots, Tubes and Grommets; Fuses, Relays and Flashers; Original Connectors, Terminals and Disconnects.

1967-73 Camaro

- NEW compact ATO-Style fuse panel.
- Original switch connector bodies
- Steering column connectors.
- Instrument cluster wiring.
- Rear body harness assembly plug.
- New floor dimmer switch.
- GM bulkhead connectors.
- Engine wiring.
- Front lighting.
- Original style light sockets!

500661	1967-68	629.99 ea.
500686	1969	647.99 ea.
510034	1970-73	593.99 ea.

Note: Does not support ammeters. Use 510121 voltmeter replacement for 1968 with original ammeter.

510121

1968-69 Console Voltmeter Gauge

These new Voltmeter gauges are engineered as a direct replacement to install in place of the factory Ammeter gauge that was used in the original saw tooth console gauge packages installed in many 1968-1969 Camaros. This gauge is a must when using American Autowire Classic Update or any other updated wiring harness, because those kits will not support the use of an Ammeter.

510121	1968-69	108.99 ea.
--------	---------	------------

35125

Ash Tray Lamp

Includes wire and socket. Does not include ash tray socket retainer. Original bracket and shield assembly must be reused.

35125	1967 All	13.99 kit

ALL-70BB3Q

"Dated" Spark Plug Wire Set

New OE style reproduction wire set correctly dated for your specific car, pre-cut and ready to install! Each set features correct colored wires and correct angled boots. Please give your sales rep your desired date. For points style, non-HEI cars only.

Here's how to order:

ALL-(year)(block)(quarter)..... 79.99 set

*For example, a 1970 Camaro SS396 built on or before Jan.

15, 1970, you would order ALL-70BB3Q wires will have 3-Q-69 stamped on them. If built after Jan. 15, 1970, you would order ALL-70BB1Q.

AC43

AC Delco Spark Plugs

This is a brand new set of 8 spark plugs. These high quality reproduction AC Delco spark plugs feature the correct green AC and markings as original.

AC43	1964-70 #43.....	59.95 set
AC44	1964-70 #44.....	59.95 set
AC45	1964-70 #45.....	59.95 set

Note: The number on the plug refers to it's operating temperature. The lower number is a cooler running plug which is typically found on the SHP high performance engines. A hotter, higher numbered plug would be used in engines where plug fouling may be or is a problem.

T-3 Headlamps

Upgrade your weak old original T3 and Power Beam headlights with a pair of high performance headlights from Ground Up! These headlamps utilize modern bulb filaments with a much brighter high/low beam, which are considerably brighter than the original factory and Power Beam units. These fit and function exactly as original which makes installing these a breeze. They feature a T3or Power Beam logo and look just like the originals! We tested these on our own 1969 Camaro in our warehouse and you can really see the difference!

Ground Up Pro-Touring Restomod LED Headlight Conversion Kit

Upgrade the look of your 1967-1981 Camaro headlights with Ground Up's brand new Exclusive Plug n' Play DOT approved headlight kit by Aroara. This easy to install headlight kit comes with everything you need for a simple install. With our included modified headlamp buckets no welding, cutting or intense fabrication is required. This Exclusive kit is one of the only true Plug n' Play kits on the market for your Chevrolet. Ground Up's Exclusive Aroara LED headlights are equipped with a high and low beam with a color temperature of 6000k which produces a crisp white light which greatly assists in lighting things up for you like never before. This light is also equipped with a half circle driving light (DRL) that easily integrates into your factory parking light system. You will not find a set of headlights for your Chevrolet Camaro like this anywhere else! This kit comes complete with everything you need to convert your standard headlights to a set of new Ground Up Exclusive Aroara LED headlights.

This Kit Includes:

- A pair of Aroara LED headlights
- 2 modified headlamp buckets designed to house the new LED lights
- 2 retaining springs that work with the modified bucket
- An extra wire for the day time running light halo rings

Features:

- High and Low beam color temperature of 6000k
- True Plug & play installation
- Easy Integrating Half Circle Driving Light (DRL)
- DOT & Transport Canada compliant for on-road use

JW Speaker Pro-Touring Restomod LED Headlight Conversion Kits

Ground Up's exclusive high performance 7 inch round Camaro LED headlight offers dual-burn high & low beam optics. This technology combines your high and low beam when turning on your high beam, providing the driver with both widespread visibility along with a powerful punch of light down the road. The Model 8700 Evolution J2 Series offers a new technology that we call Dual Burn, giving our drivers that powerful punch of light they are looking for at night, while maintaining the widespread visibility - lighting things up for you like never before. You will not find a set of headlights for your Camaro like this anywhere else. This kit comes complete with everything you need to convert your standard headlights to the new LED JW Speaker headlights.

This Kit Includes:

- A pair of JW Speaker 8700 EVO J2 headlights
- 2 modified headlamp buckets designed to house the new LED lights
- 2 retaining springs that work with the modified bucket
- 2 wiring harness adapters

Company Policies

Hassle Free Returns

Ground Up Inc® prides itself on providing you with an excellent experience, so if you are not completely satisfied with your order for any reason, you may return parts for a full refund, credit or even exchange within 30 days of receipt (not including any shipping). (All returns are subject to a 25% restocking fee after 30 days.) Return shipping and handling is the sole responsibility of the customer and Ground Up Inc® will not be held responsible for any additional costs on returned items. We cannot accept returns on any product that has been modified, altered, painted, installed or disassembled in any way. Ground Up Inc® always recommends professional installation and is not responsible or liable for any labor fees associated with the installation, removal, modification or repair of any product purchased regardless of circumstances. Ground Up Inc® is not responsible for any damage or discoloration of products incurred in relation to chemical products including cleaners, waxes, polishes, paints, etc. Gift certificates have no cash value and must be redeemed for merchandise only. **All returns must be approved by a customer service representative. Returns MUST be accompanied by a RMA # which will be provided by a customer service representative.**

Product Availability & Pricing

Every part listed in this catalog was available or planned as a reproduction at the time of printing. We reserve the right to substitute products of similar nature and quality. Prices in this catalog were effective at the time of printing and supersede those in all previous publications. Ground Up Inc® makes every effort to honor prices herein. However, due to increased costs of materials, etc. we reserve the right to change prices without notice.

Backorders

Your invoice will notate any items that were out of stock at the time of shipping. The unavailable items will be back ordered unless otherwise specified on your order form or verbally to a sales rep when placing an order by phone. Back orders are usually shipped as soon as the products arrive at our warehouse without prior notification. Ground Up Inc® will make an effort to contact the customer if the back order is more than 90 days old. If you wish to cancel a back ordered item, please notify our customer service department immediately.

Kit Products

Ground Up Inc is proud to offer many convenient and money saving kits. On occasion kit components will be short on stock. In that scenario the customer will have the choice of shipping out the in stock components while waiting for the missing components to be shipped when they come back in stock OR waiting for all the parts to be in stock before Ground Up ships the whole kit. **Kits are not eligible for further discount (i.e. Free shipping).**

Color Matches

Due to multiple manufacturers of products, color variations may occur. Slight color variations are common (especially among interior products) and do not constitute a defect. Ground Up Inc® will not be held responsible for return shipping on items for this reason.

Discounting

Ground Up Inc® is proud to offer you several ways to save money. Orders over \$900.00 are eligible for 10% off. These offers do not apply to kit items, sale items, specially priced items and any items marked "No Volume Discount". All items on the order must be in stock at time of ordering. Ground Up Inc® reserves the right to exclude items for discounting that may not be noted as "No Volume Discount" in this catalog. **Discounts (including free shipping) cannot be combined.**

Sales Tax Information

Orders shipped outside of CT may be exempt from sales tax. CT residents are required to add the appropriate current sales tax to all orders including shipping and handling. The current rate at time of printing is 6.35%.

Ordering Lefts and Rights

Some items in this catalog are presented as right hand (RH) or left hand (LH). RH and LH sides are determined by sitting in the vehicle. RH = passenger and LH = driver.

Trademark and Copyright

The Ground Up Inc® Parts and Accessories catalog is copyrighted. No part of this publication including text, photos or illustrations may be reproduced without the prior written permission of Ground Up Inc®.

International Orders

Ground Up Inc® is happy to ship parts to overseas customers via International Economy shipping. Shipping can also be arranged per the customer and the packages will be boxed at our dock. Please call our sales department or send an email to logistics@ss396.com to get a shipping quote for the parts that you wish to order.

Shipping Information

Free Shipping

Orders over \$299.00 are eligible for free standard UPS Ground shipping on in stock items only. Oversize items, items which must be shipped truck freight, drop ship items, back ordered items and specially priced items are not eligible for free shipping. Ground Up Inc® reserves the right to charge shipping on any item that cannot be shipped regular UPS Ground even though an item may not be designated as "Oversize" or "Truck Freight" in this catalog. Free shipping can't be combined with any other discount.

Oversize Items

All items which are considered to be Oversize are items that can be shipped via UPS Ground at an Oversize rate indicating a minimum dimensional weight fee of 30lbs for Oversize or 70lbs for Oversize 2. Ground Up Inc® reserves the right to charge an Oversize fee on any item that is Oversize even though it may not be indicated as an Oversize item.

Truck Freight

Some products in this catalog are too large or heavy to be shipped via Ground freight and must be shipped via truck freight. Ground Up Inc® charges a minimum of \$199.00 for all orders which must be shipped via Truck Freight to a commercial address. Actual rates can be higher depending on your location and items ordered. Residential addresses require an additional \$150.00, so please provide a commercial address whenever possible. If a commercial address is not available, you can arrange pickup at the closest terminal. (Your sales rep can provide you with the location.) If an address is not deemed to be a commercial address by the carrier, additional charges may apply. These charges are the sole responsibility of the customer.

Expedited Shipping

Ground Up Inc® offers several expedited shipping methods for your convenience: UPS 3 Day Saver • UPS 2 Day Air • UPS Overnight Orders must be placed by 2:00pm Mon-Fri. Weekends and holidays do not count as shipping days. Ground Up Inc® is not responsible for lost or damaged goods due to carrier mishandling. You must contact our sales department for actual shipping rates.

Insurance

Each order is charged an insurance fee of \$1.00 per \$100.00 to insure the entire order and protect you completely from damages or loss in shipping.

AP0/FPO

Parcel post is the only means of shipping to an APO or FPO address. Due to size restrictions, the maximum shipping box cannot exceed 72" width and girth combined. All military personal must write, call or email us prior to ordering to ensure that the desired parts do not exceed the size limit.

Damage Claims

Ground Packages - Always check the contents of your delivery in the presence of the person delivering the merchandise. Should any damage be present, immediately notify our customer service department so that Ground Up Inc® can take all necessary steps to file a claim with the carrier and ensure a prompt replacement of the damaged goods. Replacement parts will normally be sent out within 2 business days after receipt of a claim number from the carrier. Ground Up Inc® is not responsible for any damaged good that have not been reported within 3 business days of receipt of delivery. If the customer files a claim with the carrier, Ground Up Inc® will not be responsible to pay for any replacements until the carrier pays the claim.

Truck Freight - You MUST check the contents of your delivery in the presence of the carrier! **DO NOT ALLOW THE DELIVERY PERSON TO LEAVE PRIOR TO CHECKING YOUR SHIPMENT!** Should there be any damage, you MUST note the damage on the Bill of Lading. If the damage is beyond repair, **REFUSE THE SHIPMENT!** The Bill of Lading is a legal document. Should you accept the shipment and sign the Bill of Lading stating the items you received are in good condition without checking them, there is **NO RECOURSE** with the carrier if the goods are later found to be damaged. If items are discovered to be damaged at the time of delivery and noted as damaged on the Bill of Lading or refused, immediately notify our customer service department so that Ground Up Inc® can take all steps necessary to ensure a prompt replacement or adjustment on the damaged goods.

Shortages

Always check the contents of your delivery to ensure that all parts ordered were received. If you are missing any items, first check your invoice to check for back-orders or drop shipments before calling our customer service department. If a shortage has occurred, please contact our customer service department immediately for a prompt replacement. Ground Up Inc® is not responsible for any delivery shortages after 3 business days.

Refusals

All refused deliveries will be subject to a 25% restocking fee plus return shipping charges (unless it was refused because of damage in shipping. See our damage claim policy above).

This 2020a catalog now supersedes all previous catalogs.

In that scenario the customer will have the choice of shipping out the in stock components while waiting for the missing components to be shipped when they come back in stock OR waiting for all the parts to be in stock before Ground Up ships the whole kit. **Kits are not eligible for further discount (i.e. Free shipping).**

Color Matches

Due to multiple manufacturers of products, color variations may occur. Slight color variations are common (especially among interior products) and do not constitute a defect. Ground Up Inc® will not be held responsible for return shipping on items for this reason.

Discounting

Ground Up Inc® is proud to offer you several ways to save money. Orders over \$900.00 are eligible for 10% off. These offers do not apply to kit items, sale items, specially priced items and any items marked "No Volume Discount". All items on the order must be in stock at time of ordering. Ground Up Inc® reserves the right to exclude items for discounting that may not be noted as "No Volume Discount" in this catalog. **Discounts (including free shipping) cannot be combined.**

Sales Tax Information

Orders shipped outside of CT may be exempt from sales tax. CT residents are required to add the appropriate current sales tax to all orders including shipping and handling. The current rate at time of printing is 6.35%.

Ordering Lefts and Rights

Some items in this catalog are presented as right hand (RH) or left hand (LH). RH and LH sides are determined by sitting in the vehicle. RH = passenger and LH = driver.

Trademark and Copyright

The Ground Up Inc® Parts and Accessories catalog is copyrighted. No part of this publication including text, photos or illustrations may be reproduced without the prior written permission of Ground Up Inc®.

International Orders

Ground Up Inc® is happy to ship parts to overseas customers via International Economy shipping. Shipping can also be arranged per the customer and the packages will be boxed at our dock. Please call our sales department or send an email to logistics@ss396.com to get a shipping quote for the parts that you wish to order.

Shipping Information

Free Shipping

Orders over \$299.00 are eligible for free standard UPS Ground shipping on in stock items only. Oversize items, items which must be shipped truck freight, drop ship items, back ordered items and specially priced items are not eligible for free shipping. Ground Up Inc® reserves the right to charge shipping on any item that cannot be shipped regular UPS Ground even though an item may not be designated as "Oversize" or "Truck Freight" in this catalog. Free shipping can't be combined with any other discount.

Oversize Items

All items which are considered to be Oversize are items that can be shipped via UPS Ground at an Oversize rate indicating a minimum dimensional weight fee of 30lbs for Oversize or 70lbs for Oversize 2. Ground Up Inc® reserves the right to charge an Oversize fee on any item that is Oversize even though it may not be indicated as an Oversize item.

Truck Freight

Some products in this catalog are too large or heavy to be shipped via Ground freight and must be shipped via truck freight. Ground Up Inc® charges a minimum of \$199.00 for all orders which must be shipped via Truck Freight to a commercial address. Actual rates can be higher depending on your location and items ordered. Residential addresses require an additional \$150.00, so please provide a commercial address whenever possible. If a commercial address is not available, you can arrange pickup at the closest terminal. (Your sales rep can provide you with the location.) If an address is not deemed to be a commercial address by the carrier, additional charges may apply. These charges are the sole responsibility of the customer.

Expedited Shipping

Ground Up Inc® offers several expedited shipping methods for your convenience: UPS 3 Day Saver • UPS 2 Day Air • UPS Overnight Orders must be placed by 2:00pm Mon-Fri. Weekends and holidays do not count as shipping days. Ground Up Inc® is not responsible for lost or damaged goods due to carrier mishandling. You must contact our sales department for actual shipping rates.

Insurance

Each order is charged an insurance fee of \$1.00 per \$100.00 to insure the entire order and protect you completely from damages or loss in shipping.

AP0/FPO

Parcel post is the only means of shipping to an APO or FPO address. Due to size restrictions, the maximum shipping box cannot exceed 72" width and girth combined. All military personal must write, call or email us prior to ordering to ensure that the desired parts do not exceed the size limit.

Damage Claims

Ground Packages - Always check the contents of your delivery in the presence of the person delivering the merchandise. Should any damage be present, immediately notify our customer service department so that Ground Up Inc® can take all necessary steps to file a claim with the carrier and ensure a prompt replacement of the damaged goods. Replacement parts will normally be sent out within 2 business days after receipt of a claim number from the carrier. Ground Up Inc® is not responsible for any damaged good that have not been reported within 3 business days of receipt of delivery. If the customer files a claim with the carrier, Ground Up Inc® will not be responsible to pay for any replacements until the carrier pays the claim.

Truck Freight - You MUST check the contents of your delivery in the presence of the carrier! DO NOT ALLOW THE DELIVERY PERSON TO LEAVE PRIOR TO CHECKING YOUR SHIPMENT! Should there be any damage, you MUST note the damage on the Bill of Lading. If the damage is beyond repair, REFUSE THE SHIPMENT! The Bill of Lading is a legal document. Should you accept the shipment and sign the Bill of Lading stating the items you received are in good condition without checking them, there is NO RECOURSE with the carrier if the goods are later found to be damaged. If items are discovered to be damaged at the time of delivery and noted as damaged on the Bill of Lading or refused, immediately notify our customer service department so that Ground Up Inc® can take all steps necessary to ensure a prompt replacement or adjustment on the damaged goods.

Shortages

Always check the contents of your delivery to ensure that all parts ordered were received. If you are missing any items, first check your invoice to check for back-orders or drop shipments before calling our customer service department. If a shortage has occurred, please contact our customer service department immediately for a prompt replacement. Ground Up Inc® is not responsible for any delivery shortages after 3 business days.

Refusals

All refused deliveries will be subject to a 25% restocking fee plus return shipping charges (unless it was refused because of damage in shipping. See our damage claim policy above).

This 2020a catalog now supersedes all previous catalogs.
