**Power Window Retrofit Kits**

Ground Ups exclusive power window kits are the best available on the market today! They Bolt into the original mounting holes making for a hassle free installation. Using 1018 cold-roll steel, bronze oilite thrust bearing at all the pivot points and heat treated metal for all gears results in a quality smooth operating regulator that will last for many years. The motors are all brand new and have been thoroughly tested for quality and feature a strong dependable motor. Kits include: new regulators, new ACI window motors, a new completed wiring harness, your choice of switches and the conduit from the a-pillar to the door. Our kits feature detailed instructions with helpful diagrams and photos.
