LHT-7PB-HI

FACTORY T3

HI-INTENSITY T3

T-3 Headlamps

Upgrade your weak old original T3 and Power Beam headlamps with a pair of high performance headlamps from Ground Up! These headlamps utilize modern bulb filaments with a much brighter high/low beam, which are considerably brighter than the original factory and Power Beam units. These fit and function exactly as original which makes installing these a breeze. They feature a T3 or Power Beam logo and look just like the originals! We tested these on our own 1969 Camaro in our warehouse and you can really see the difference!

LHT-7PB-HI	1962-78 All Power Beam 129.99 pr.
LHT-7T-HI	1962-78 All T3 129.99 pr.

Ground Up Pro-Touring Restomod Led Headlight Conversion

Upgrade the look of your headlights with Ground Up's brand new Exclusive Plug n' Play DOT approved headlight kit by Aroara. This easy to install headlight kit comes with everything you need for a simple install. With our included modified headlamp buckets no welding, cutting, or intense fabrication is required. This Exclusive kit is one of the only true Plug n' Play kits on the market for your Nova. Ground Up's Exclusive Aroara LED headlights are equipped with a high and low beam with a color temperature of 6000k which produces a crisp white light which greatly assists in lighting things up for you like never before. This light is also equipped with a half circle driving light (DRL) that easily integrates into your factory parking light system. You will not find a set of headlights for your Nova like this anywhere else! This kit comes complete with everything you need to convert your standard headlights to a set of new Ground Up Exclusive Aroara LED headlights.

This kit includes:

- A pair of Aroara LED headlights
- 2 modified headlamp buckets designed to house the new LED lights
- 2 retaining rings that work with the modified bucket
- An extra wire for the day time running light halo rings

Features:

- High and Low beam color temperature of 6000k
- True plug & play installation
- Easily integratable Half Circle Daytime Running Lights (DRL)
- DOT & Transport Canada compliant for on-road use
