

Headliner Bows

Instruction Sheet

All headliner bows are color coded for easy installation. Most vehicles have 4 to 6 bows, however, your vehicle may take more bows or less bows (e.g., 1964 El Camino has a two bow headliner and would take only the red and white bows.)

The windshield will be our starting point.

1. Your first color is red (windshield).
2. Your second bow color is white.
3. Your third bow color is blue.
4. Your fourth bow color is black.
5. Your fifth bow color is green.
6. Your sixth bow color is yellow.
7. Your seventh bow color is orange.
8. Your eighth bow color is gold.
